

Bird Banding Demonstration

Pokagon State Park – Indiana Department of Natural Resources

Tuesday, December 30, 2014

2:00pm to 4:00pm

Sunday afternoon at the Nature Center, guest interpretive naturalist John Schaust will band birds after first catching them in special nets set up in front of our feeding stations at the “Woodland Window.” Come and stay for some or all of the banding. With the winter feeding stations in continuous action, we’re ensured a “bird in the hand...” the entire time!
