Saturday, December 12th, 2015:

Donaldson Cave Hike

1pm, Spring Mill Inn

This hike will go TO the mouth of Donaldson Cave. You may enter the cave on your own for a tour inside after the program. Meet by the flag pole in front of the Inn.

CHRISTMAS BIRD COUNT

Sunday, December 20th 8:30am

This annual event is held the last Sunday before Christmas. We will meet in the parking lot by the Park Office and break up into groups to cover as much of the park as possible. This program is for beginners and experts and is part of the National Audubon Society's Christmas Bird Count which is the Nation's longest running citizen science bird project.

Memories made naturally.
