

City: Connersville County: Fayette INDIANA

We the undersigned common construction wage committee, appointed pursuant to Indiana Code 5-16-7, as amended in 1995, do hereby fix and determine the following common construction wage scales to apply on the: Connersville

Name of Awarding Agency

project known as the: 1; East Fifth Street Drainage Project; 2: Area 006 Drainage Project;

A. TYPE OF CONSTRUCTION

The common construction wage rates listed below are for the following type of construction work **(Mark One)**:

- Commercial Building
- Heavy/Highway

B. GOVERNING DEFINITIONS

The undersigned common construction wage committee has determined that for the above-cited project the following definitions of classifications shall be used when applying this wage scale to said project **(Mark One)**:

- The Indiana Department of Labor's *Guide to Building Trades Classifications with Descriptions*;
- The United States Department of Labor's *Dictionary of Occupational Titles*; or
- Other attached document.

A copy of the above marked document is attached to this document and labeled "Attachment A."

C. CLASSES OF OCCUPATIONS/TRADES

Whereas the majority of building occupations/trades are classed as skilled occupations/trades, the absence of a wage determination for the classes of semi-skilled and unskilled workers in a particular skilled occupation/trade is the result of a committee's determination that it is a skilled craft and the common practice in the county is not to use a semi-skilled or unskilled designation with regard to the classification, but rather to recognize that the occupation/trade utilizes apprentices enrolled in a bona fide program to become skilled tradespersons.
