This permit does not apply to any state roads or bridges that are closed for construction purposes, or to any roads or bridges that are posted for gross load limits, and/or any roads, structures, wires, etc., having a restricted height and/or width clearance that will not clear said load. This permit does not apply to any county roads or city streets.

**Section D - Signature Information**

The General provisions upon the reverse side of this form and any Special Provisions are incorporated by reference into this permit and are as binding upon the permit holder as if they had appeared on the face of this permit. This permit is void if the General or Special Provisions are omitted or are not attached. The Indiana Department of Revenue disclaims any responsibility in relation to the correctness in the transmitting of the permit as a whole, or any part thereof, including General or Special Provisions. This Permit is not valid unless signed below by both an authorized company owner or officer, and the driver(s). The driver's signature attests to the fact that the description of the vehicle and load is accurate and that the General Provisions and any Special Provisions have been read and understood by the driver. Under the penalty of perjury, I have examined this permit, and to the best of my knowledge and belief, it is true, complete and correct. I also understand that all provisions of the Transporting Agreement apply in full force.

Indiana Department of Revenue  
**General Provisions of an  
Oversize/Overweight Vehicle Permit**

**Required Markings**

- Vehicles must be marked on front and rear with a sign reading "OVER-SIZE LOAD."
  - The sign must be at least 18 inches high and between 6 to 8 feet long.
  - The letters must be black, 12 inches high, with a 2-inch stroke on yellow background.
  - Color combinations or wording approved by other states will be permitted, when trip originates outside Indiana.
- Vehicles must be marked with 2 red or orange flags, placed at the widest extremities of the vehicle or load.
  - Flags must be in good condition, plain or orange with no figures.
  - Flags must be 18 inches square and placed so that approaching traffic can see them.

**Lighting**

- All provisions of 49 CFR 393.11 apply, plus the following:
- Permitted vehicles must have low beam headlights on while transporting a load.
- Mobile homes and sectionalized buildings having widths of 12 feet 4 inches or more must be equipped with four high intensity, amber, flashing lights.
  - Two of these must be mounted on the front. Two must be mounted on the rear of the combination.
  - Lights mounted on the load must be placed at the outer edges and not be less than 6 feet above the roadway.
  - Front lights may be mounted on the towing vehicle at furthest extreme of any safety device, not extending beyond the mirrors, and must be double-faced lamps, visible both on front and rear.
  - Lights must be visible at 500 feet in normal sunlight.

**Flagmen**

- Flagmen will be provided by the transporting company at all locations needing such traffic control. Locations needing such flagmen include: encroachment into opposing traffic lanes and stops, or blockages of traffic locations where stops are not normally required by existing traffic control devices. More information about traffic control regulation may be found at 105 IAC 9-2.

**Speed**

- Any permitted vehicle over 85' long, or 10'6" wide, or above legal height may not exceed 55 miles per hour.
