RE: INDOT Bidder's List Registration Form

Dear Contractor:

The Indiana Department of Transportation (INDOT) is continuing to respond to the Federal Regulations, 49 CFR, Part 26.11, which requires us to collect data on all federal-aid contracts in INDOT from all Contractors, Subcontractors, Consultants and Truckers. Included herewith is the INDOT Bidder's List Registration Form, which includes fields for all required data.

At their meeting of October 11, 2000, the Prequalification Committee recommended this form be submitted as a part of a Contractor's application for prequalification. The form must be complete and clearly legible before a Contractor will be issued a new or renewed Certificate of Qualification.

This policy became effective January 1, 2001 and continues to be in effect until further notice. The Prequalification Unit will transmit the form to the Economical Opportunity Division. If you have any questions feel free to contact Ms. Martha Kenley at 317-232-5328 or me.

Best regards

John P. Wooden, P. E.
Prequalification Engineer

JPW:rsI

INDOT BIDDER'S LIST REGISTRATION STATEMENT

Federal regulations require all Contractors, Subcontractors, Truckers and Consultants who wish to do business with INDOT to submit this form to INDOT annually [49 CFR, Part 26.11]. Failure to comply may result in loss of INDOT business opportunities.

Name of firm

Address of firm (*number and street, city, state, ZIP code*)

Status of firm

DBE: _____ Non-DBE: _____

Age of firm

Total Annual Gross Receipts of the firm for most recently completed company fiscal year: (***All work including INDOT work***)

\$

FY

Approximately how many Department projects has the firm bid or quoted in the past 12 months? (*If none, please indicate 0.*)

In what market(s) have you participated?

- Prime: _____
