

NOTICE OF DESIGNATION

The Indiana Department of Transportation ("INDOT") has issued a request for proposals on May 26, 2016 (the "RFP"), to design and build the Indiana I-65 Northwest Indiana Major Moves 2020 Expansion Project (the "Project") pursuant to a public-private agreement ("PPA") under Indiana Code 8-15.7 (the "Act"). The Project consists of constructing additional travel lanes along I-65 within the existing median from exit 240 (SR 2) north to exit 247 (US 231), constructing an outside shoulder and re-striping of existing lanes from exit 247 (US 231) north to exit 253 (US 30), and replacing the Kankakee River Bridges.

After following the procedures required under the Act, INDOT has determined that Walsh Construction Company II, LLC ("Selected Offeror") should be designated under the Act as the entity to enter into the PPA to design and build the Project thereunder. The Governor has accepted the determination of INDOT and has designated the Selected Offeror as the entity to enter into the PPA for the Project under the Act.

With the exception of parts of the Selected Offer that are confidential under I.C. 5-14-3, the Selected Offer and the PPA are available on the INDOT I-65 NW Indiana Major Moves 2020 Expansion Project web page <http://www.in.gov/dot/div/contracts/p3/Inj/LNJP.htm>.
