

NOTICE OF REQUEST FOR QUALIFICATIONS

The Indiana Department of Transportation ("INDOT") is requesting interested teams ("Proposers") to submit a statement of qualifications ("SOQs") to design and build the I-65 Northwest Indiana Major Moves 2020 Expansion Project, to be located in Lake, Jasper, and Newton counties (the "I-65 Northwest Indiana Project"), as described below and in the Request for Qualifications ("RFQ"), pursuant to an agreement under IC 8-15.7. The I-65 Northwest Indiana Project involves the design, construction and reconstruction of I-65 in defined locations in Lake, Jasper, and Newton Counties, and includes additional travel lanes, an auxiliary travel lane, bridge widening and associated improvements to structures and pavement as more specifically set forth in the RFQ. The I-65 Northwest Indiana Project is a non-tolled highway project.

The Request for Qualifications has been posted on the INDOT website, <http://www.in.gov/dot/div/contracts/p3/lmj/LNJ.htm> INDOT will evaluate the statements of qualifications ("SOQs") submitted by Proposers in response to the RFQ as more fully described therein. If an SOQ is found responsive, INDOT will then evaluate the SOQ on the criteria described in the RFQ and determine a short-list of Proposers qualified to submit Proposals for the I-65 Northwest Indiana Project. Only short-listed SOQ Proposers will be eligible to respond to a request for proposals to act as Design-Build Contractor of the I-65 Northwest Indiana Project expected to be issued by INDOT.

All responses to the RFQ must be filed with INDOT no later than 12:00 p.m., noon, (CST) on January 19, 2016, as more fully described in the RFQ posted on the INDOT website.
