

**Indiana Department of Transportation
Final Construction Record Index**

Contract No: _____

District: _____

Instructions:

Place the page number corresponding to this index in the upper right hand corner of each document. Page numbers should include the letter and page number for the document type, i.e. page 1 of the Final Construction Record Index would be deemed as A-1 and page 2 would be A-2. If an item does not apply to a contract write "N/A" on the line. Do not delete items from the Final Construction Record Index and do not re-number pages due to deletions.
