

GENERAL NOTES

1. Standard Drawing E 807-LTFD-01 through E 807-LTFD-04 represent the maximum roadside slope normally encountered without guardrail protection. If motorists are protected from the light standard by guardrail, the treatments found herein are not required. These drawings indicate the maximum slopes permissible on the fill. Any conditions more severe than those represented here shall be graded as directed.
2. The front of the foundation faces the roadway and the back faces the Right-of-Way line.
