DESIGN MEMORANDUM No. 05-17 TECHNICAL ADVISORY

TO: All Design, Operations, District Personnel, and Consultants

**FROM: /s/ Dannie L. Smith
for Anthony L. Uremovich
Design Policy Engineer
Contracts and Construction Division**

SUBJECT: Impact Attenuator Spare Parts Packages

EFFECTIVE: January 18, 2006 Letting

If impact attenuators are required, the designer should contact the appropriate district operations engineer regarding the number of each type and stage of spare parts packages desired. The district operations engineer will provide the number of each required, along with the delivery location. Only one delivery address will be allowed per contract. Recurring Special Provision 601-R-497, Spare Parts Package for Impact Attenuators, should be modified to incorporate this information and included in the contract documents. Copies of the revised 601-R-497 and the spare parts lists are attached for your information.
