

DRUG TESTING PLAN IMPLEMENTATION

The Standard Specifications are revised as follows:

SECTION 107, AFTER LINE 73, INSERT AS FOLLOWS:

*Indiana Code 4-13-18-5 requires all bidders to submit, with their bids, an employee drug testing plan which complies with the requirements of the cited Code. The Contractor is directed to implement the employee drug testing plan as submitted. Material breeches of this requirement may constitute an independent basis to invoke 108.10.*

SECTION 108, AFTER LINE 484, INSERT AS FOLLOWS:

*(j) fails to implement the employee drug testing plan submitted with the bid; or fails to provide information regarding the implementation of the employee drug testing plan when requested by the Department; or provides false information regarding implementation of the employee drug testing plan.*
