CONSTRUCTION PROJECTS

(Revised 08-25-15)

The Indiana Department of Administration, IDOA, and the Indiana Department of Transportation, INDOT, are committed to the participation of Minority and Women's Business Enterprises, MWBE, in the State's procurement and contracting process. As a result, MBE and WBE participation is required or evidence is required of adequate Good Faith Efforts to obtain such participation as a specification in bids for construction services with subcontracting opportunities in accordance with Indiana Administrative Code 25 IAC-5.

The goals for participation of Minority and Women owned business in the performance of this contract shall be as stated on the proposal page of this Contract Information Book. Contract compliance shall be as set forth and presented on the internet web page found at <http://www.in.gov/idoa/mwbe/index.htm> and administered by the IDOA.

The IDOA, and INDOT, are committed to the participation of Indiana Veteran's Business Enterprises, IVBE, in the State's procurement and contracting process. As a result, IVBE participation is specified in bids for construction services effective July 1, 2013, and shall be in accordance with Senate Enrolled Act No. 564.

The goal for participation of Indiana Veteran owned businesses in the performance of this contract shall be as stated on the proposal page of this Contract Information Book. Contract compliance shall be as set forth and presented on the internet web page found at <http://www.in.gov/idoa/2862.htm> and administered by the IDOA.

In December, 2011, the IDOA deployed a software system, the Pay Audit System, for compliance monitoring of the state's diversity spending. The Pay Audit System captures and compares contractual MWBE and IVBE payments from both the Contractors and certified MWBE and IVBE subcontractors through a web-based interface. This resource helps the State monitor and enforce MWBE and IVBE spending commitments on state contracts.

The Contractor and Subcontractors shall report payments as directed by the IDOA. The Contractor and subcontractors shall keep contact information current with the MWBE and the IVBE offices, as this information is required for communications from the Pay Audit System and the contract compliance group. Information on the Pay Audit System is available over the internet at <http://www.in.gov/idoa/mwbe/payaudit.htm>.

The subcontractor payment reporting requirements of this provision shall be in addition to all other reporting requirements set forth in the contract documents.

All Indiana Department of Transportation projects with 100% state funding shall be governed by this provision.
