The Consultant Selection Rating Form that will be used to evaluate and score the submittals is included for your reference. To be eligible for consideration, the lead consultant must be prequalified by INDOT. Note: If the Local Public Agency waives prequalification, additional steps as set out in the Local Public Agency Architectural and Engineering Firm Selection Procedures will be required. If a large number of LOIs are received, the Local Public Agency will conduct a pre-screening process consisting of the following core criteria: Team's Demonstrated Qualifications, Project Manager and Approach to Project. The weight of the pre-screening criteria will remain the same as in the Consultant Scoring Procedure in this document. Scorer(s) will be selected by the Local Public Agency.
