**"THE LADDER UPP" - A WORKSHOP FOR THE PARENTS,  
SPOUSES, FRIENDS, LOVED ONES, ORGANIZATIONS,  
CHURCHES, NON-PROFITS, VETERANS AND OTHERS WHO  
WANT TO LEARN MORE ABOUT HELPING VETERANS WHO  
ARE STRUGGLING TO MAKE THE TRANSITION HOME.**

**PRESENTED BY MARINE & FOUNDER, SILOUAN GREEN**

With special guest speaker Dr. Donna Lazarick from the Roudebush VA Hospital

When someone we love is suffering they can seem unapproachable. We feel like we are treading on pins and needles and are helpless. What we need is a tool to help understand them, to create empathy, and engage them in a forward thinking, positive way. The Ladder UPP is that tool. We need each other to live our lives fully and you can help. It might seem impossible, but it can be done. There is hope.
