Make your move, hire a veteran

If you need an employee that is dependable, trustworthy, hardworking and well trained, then make your move and hire a veteran. Today's veteran is one of the most highly trained assets an employer can have in their workforce.

Veterans have up-to-date work experience. There are many occupations that a veteran can perform in the Hoosier workforce. Some examples include:

- Accounting
- Construction
- Education
- Electronics
- Engineering
- Financial administration
- Foreign languages
- Law enforcement
- Human resources
- Computer technology

It is easy for employers to tap into this large workforce. To save time and money, WorkOne can review qualified applicants for you and only those who meet your specific needs will be referred. This eliminates countless hours of screening potential applicants.

Tax reduction incentives and monetary reimbursement for certain eligible veterans is also available. Ask about our Work Opportunity Tax Credit program for hiring qualified veterans.
