### **Workers at International Paper in Terre Haute eligible for federal aid**

INDIANAPOLIS (September 28, 2007) – The Indiana Department of Workforce Development today announced a ruling by the U.S. Department of Labor that former employees of International Paper in Terre Haute, Indiana are eligible to receive services under the federal Trade Adjustment Assistance (TAA) program.

The TAA program, which is administered at the state level by the Indiana Department of Workforce Development, is made available to workers who are displaced due to foreign imports or shifts in production out of the country.

The federal ruling was issued on September 6, 2007 and applies to all workers of International Paper's Terre Haute Division in Terre Haute, who became totally or partially separated from employment on or after August 14, 2006, through September 6, 2009.

In order for dislocated workers to be eligible for TAA benefits, a company executive, union representative or three former employees must file a petition with the Department of Labor and it must be approved before benefits can be released. The investigation was initiated on August 15, 2007, in response to a petition filed by a company official on behalf of the workers. Workers of the firm manufacture corrugated materials.

The TAA program provides a variety of benefits and services to help unemployed workers prepare for and obtain suitable employment. Workers may be eligible for re-employment services, job search and relocation allowances and training. In addition, weekly trade re-adjustment allowances may be payable to eligible workers following the exhaustion of unemployment insurance benefits.

In addition, the Department of Labor also issued a certification for alternative trade adjustment assistance (ATAA) for separated older workers at the company. It was found that a significant number of workers at the company age 50 or over possess skills that are not easily transferable and that competitive conditions within the industry are adverse. Older workers may choose between regular TAA benefits or a wage subsidy of 50% of the difference between their new salary and old salary, up to \$10,000.

Eligible parties may obtain information at their local WorkOne center. A listing of all of the centers can be found at [http://www.in.gov/dwd/employers/workone\\_centers.html](http://www.in.gov/dwd/employers/workone_centers.html)
