

SWIC Youth Council Taskforce

July 23rd, 2015

Youth Council Taskforce

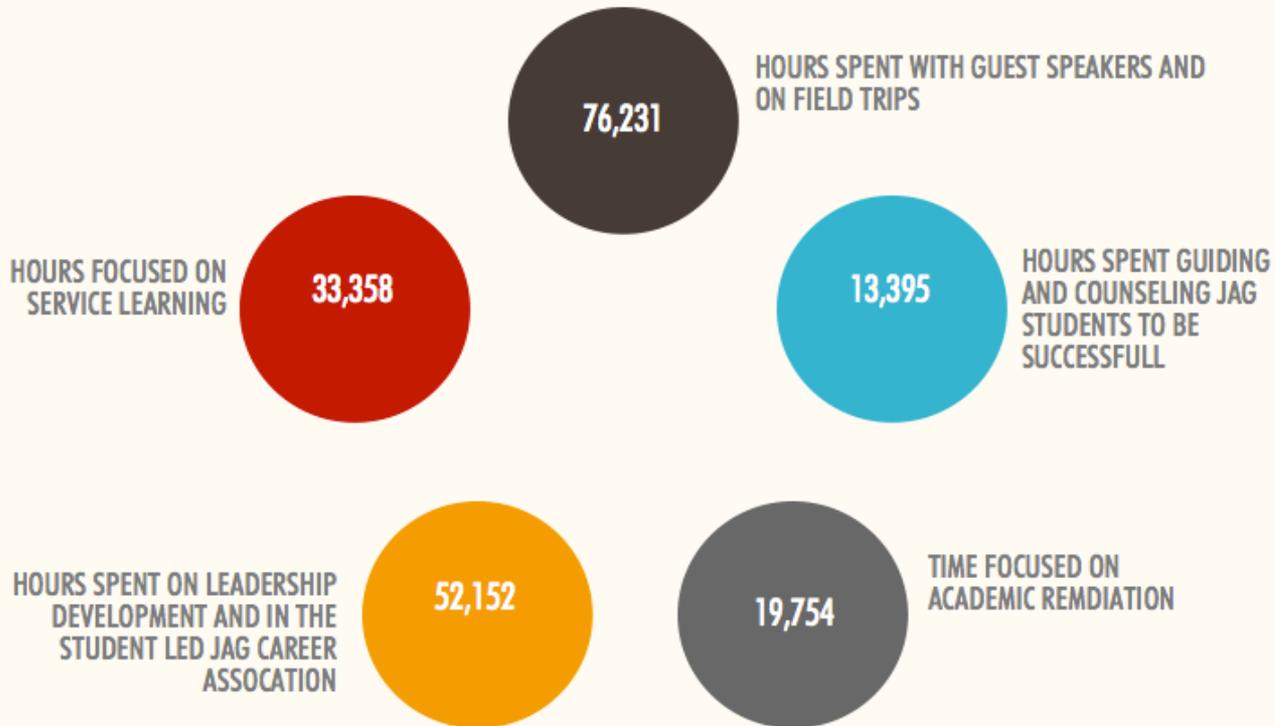

- Develop opportunities for youth to improve academic and employability skill competencies through activities such as mentoring, training, community service, and work & learn experiences;
- Provide guidance on incorporating into youth-serving programs career pathways connected to sectors and occupations based on employer driven demand;
- Offer strategies and best practices for ongoing collaboration among employers, community partners, local and statewide stakeholders; and
- Identify strategies to serve WIOA eligible youth in achieving academic and employment success.

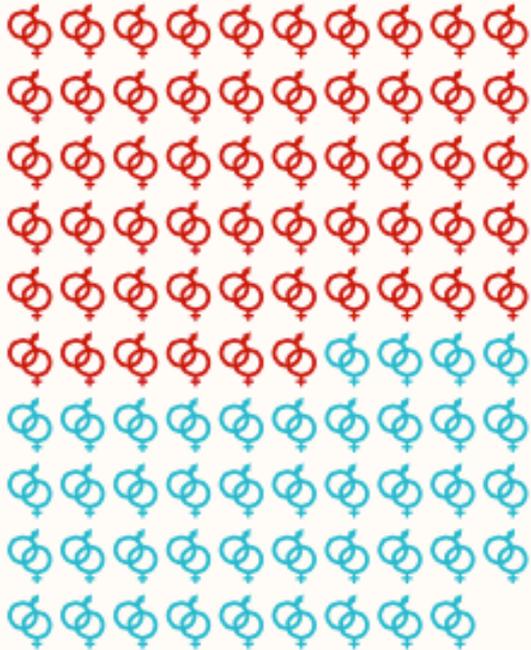

Field trips, guest speakers, job experiences, mentors, tutors

Career exploration, resume writing, employer marketing and job development
