QUALIFICATION SUMMARY

Film Production: Experience in essentially every aspect of film production from concept to screening. Previous experience as cinematographer, stereographer, editor, producer, director, writer, fight choreographer, actor and stunt performer. Creative cinematography using a variety of tools.

Technical Proficiencies: Knowledge of cinematography and stereoscopic 3D. Experience using Sony (including PDW-700), Canon and Panasonic digital video cameras, HD SLRs (Canon 7D owner), 3D rigs (both parallel and split beam) and 16mm film. Editing experience in Final Cut Pro, Avid and Adobe Premiere, and editing for 30-foot cinema screen both in 2D and 3D.

Strengths and Accomplishments: Extremely eager and driven to excel. Willing to work long hours and learn any necessary skills in order to reach a goal. Very focused on set and ready to take direction. Effective and concise communication. Capable of creative solutions to achieve the desired effect. Won Best Cinematography at 2010 Iris Film Festival. Director of Photography for Top 16 film at 2011 Indiana University Campus MovieFest. Producer for 2011 Multivisions Advanced Fiction Finalist.
