SPECIAL CONDITIONS

I. Services for Persons who are Deaf or Hearing Impaired

For each consumer registered in CSDS as Deaf Chronically Addicted (DCA), Deaf Seriously Mentally Ill (DMI), Deaf Seriously Emotionally Disturbed (DED), or Deaf Gambling (DGM) by contractor and is actively receiving services, the Contractor shall execute a voucher and receive a registration rate of \$4,500 per consumer. Please refer to the SFY 2009 CSDS manual for more information on how to register and receive funding for the Deaf Agreement types.

1. The Contractor shall provide services to hearing impaired or deaf persons who experience mental illness or are chronically addicted, as defined by the State.
2. It is expressly understood and agreed by the parties that 6000/139200 federal funds may be expended only for services to hearing impaired or deaf adults who are seriously mentally ill, clients who are chronically addicted and severely or emotionally disturbed children and adolescents delineated in the grant proposal submitted by the Contractor to the Division of Mental Health and Addiction (DMHA).
3. The DMHA may reimburse the Contractor from federal funds received from the Block Grants for Community Mental Health Services (CMHS) funds (Account 6000/139200) upon receipt of data submitted through the Community Services Data System (CSDS) and duly executed vouchers from the Contractor for services which were provided by Contractor.
4. Contractor shall provide the most appropriate services, including but not limited to those listed in this attachment, to clients who meet the registration criteria for this targeted population.
5. For each consumer the Contractor registers, the Contractor shall receive a registration rate as specified in Attachment A Document Detail for this "special condition" identified in the Contractor's current year contract.
6. Resources are to be used to serve hearing impaired and deaf person consumers who may require mental health and/or substance abuse services as identified by Contractor. These may include but are not limited to:
 - a. assessment services;
 - b. crisis intervention services;
 - c. outpatient services;
 - d. intensive outpatient groups;
 - e. case management services;
 - f. consultation and education services; and
 - g. other ancillary services deemed necessary to provide the full continuum of clinically appropriate behavioral health care services defined at IC 12-7-2-40.6.

Services provided are to meet the needs of the hearing impaired and deaf persons in their community.

7. The Contractor shall maintain the following information regarding each consumer it registers pursuant to this attachment:

- a. The Contractor shall submit data to the Community Services Data System (CSDS) no later than the end of the month following the report month in accordance with the instructions contained in the current State Fiscal Year **Community Services Data System Requirements** and any updates thereto.
 - b. Service units as identified on the Community Services Data System shall be forwarded to the DMHA in accordance with the instructions contained in the current State Fiscal Year **Community Services Data System Requirements** and any updates thereto.
 - c. The Contractor shall submit vouchers for the respective fair market value or other rate received by Contractor for such services.
8. Contractor shall assist the DMHA in the presentation of meetings in areas of the State identified by the DMHA to make providers aware of the need for services to this targeted population.
 9. The Contractor acknowledges that, as a condition of the receipt of Block Grants for Community Mental Health Services funds (Account No. 6000/139200), the Contractor shall:
 - a. Provide services principally to individuals residing in the Contractor's region, which area has previously been agreed upon by the Contractor and the DMHA.
 - b. Provide outpatient services, including specialized outpatient services for children, the elderly, individuals with serious mental illness, and residents of the Contractor's region who have been discharged from inpatient treatment at a mental health facility.
 - c. Provide 24-hour-a-day emergency care services.
 - d. Provide day treatment or other partial hospitalization services, or psychosocial rehabilitation services.
 - e. Provide screening services for patients being considered for admission to state-operated facilities to determine the appropriateness of such admission.

These services shall be provided, within the limits of the resources of the Contractor, to any individual residing or employed in the Contractor's region regardless of the individual's ability to pay for such service.

These services shall be available and accessible in a prompt manner as appropriate, and shall be provided in a manner that preserves human dignity and assures continuity and high-quality care.

10. The Contractor shall not use funds from the Block Grants for Community Mental Health Services (Account No. 6000/139200) for the following purposes:
 - a. The provision of inpatient services;
 - b. To make cash payments to intended recipients of health services;
 - c. To purchase or improve land;
 - d. To purchase, construct, or permanently improve (other than minor remodeling) any building or other facility;
 - e. To purchase major medical equipment; purchase of equipment valued over five hundred dollars (\$500.00); or
 - f. To satisfy any requirements for expenditures of nonfederal funds as a condition for the receipt of federal funds.
11. As the gatekeeper for deaf and hard of hearing individuals, Contractor acknowledges that any admissions to state hospital beds by the targeted population will not count against the bed allocation census of the Contractor.
12. The total projected service cost under this special condition is financed with one hundred percent (100%) federal Block Grants for Community Mental Health Services funds.

II. Deaf Technical Assistance Services

A. Contractor shall provide consultation and training to Mental Health and Addiction providers identified by DMHA who service deaf and hearing impaired persons. CMHC, Inc. will provide education and training to providers in the areas of technology, interpreters, best practice approaches, hearing clinicians, misdiagnosis deaf norms, deaf language and culture.

B. Contractor will provide advocacy services for deaf and hard of hearing consumers. CMHC, Inc. will provide supportive services to local providers when gaps in the delivery system occur.

C. Contractor shall bill DMHA \$4,875.00 monthly for technical assistance services provided to the hearing impaired and deaf population.

D. The total projected technical assistance cost under this special condition is financed with one hundred percent (100%) federal Block Grants for Community Mental Health Services funds
