## What's new for ATR III?

Recent changes to ATR eligibility has expanded the potential client population. The target populations now include:

- 1) The Criminal Justice population, encompasses anyone involved in the criminal justice system (post-adjudication).
- 2) Women with dependent children, includes all dependent children up to age 18.

The remaining target populations are unchanged:

- 3) Women who are pregnant
- 4) Individuals recovering from methamphetamine addiction
- 5) Military service personnel

ATR III has also recently increased spending caps program wide.

Cap increases:

Overall cap increased to \$1400 per client

Clinical cap increased to \$600 per client

RC cap increased to \$600 per client

## ATR III is Growing!

We are currently seeking additional Providers and Recovery Consultants in **Clark, Floyd** and **Johnson Counties**. And we will soon be ready to begin enrolling clients in these areas of the state. If you or someone you know in these areas would like to be involved with ATR III, please contact Sarah Collins at [sarah.collins@fssa.in.gov](mailto:sarah.collins@fssa.in.gov) or (317) 234-0902.

## Current ATR III Enrollment by County

As of July 27, 2011

County	Clients Served
Allen	107
Elkhart	81
Lake	102
Marion & Indianapolis	270
St. Joseph	18
Vanderburgh	284
Vigo	131
<b>TOTAL</b>	<b>993</b>

We're almost there! ATR III is more than half way to our client enrollment goal of 1,891 clients before the end of Federal Fiscal year 2011 on September 30. To reach our goal, 898 additional clients need to be enrolled over the next 9 weeks.

**YOU CAN DO IT!!!**

The new ATR newsletter needs a name! Have a great idea?
