### Indiana No Wrong Door Plan Update Sessions

Don't forget to register for one of the Indiana Family and Social Services Administration's three in-person regional stakeholder meetings or the virtual session next week being conducted to share key components of the final No Wrong Door planning grant with you.

The intent of No Wrong Door is to improve consumers' experiences in learning about and accessing long-term services and supports in the state. These stakeholder meetings are a great opportunity to learn about proposed steps to implement the NWD system and share your thoughts on the plan before its final submission to the federal Administration on Community Living.

**Beginning Wednesday, August 17, the NWD plan will be available for your review at <http://www.in.gov/fssa/da/4936.htm> so you can attend a session prepared with questions and feedback!**
