

## Institutional or Home and Community Based Services Waiver Members

Individuals currently using the spend down program to help pay for institutional or home and community based services will not lose their current benefits. However, if a beneficiary's monthly income exceeds 300 percent of the Federal Benefit Rate (\$2,199\*) he or she will need to take action to establish a Miller trust as soon as possible to maintain eligibility. Please visit this webpage for more information and instructions: <http://www.in.gov/fssa/ddrs/4860.htm>.
