

SIGN CAMPAIGN

Summer 2010

The Bureau of Child Care at the Division of Family Resources, Indiana Family and Social Services Administration, is pleased to announce the **Paths to QUALITY™** sign campaign. **Paths to QUALITY™** is Indiana's quality rating and improvement system for child care programs. Beginning in late August, **Paths to QUALITY™** signs will be distributed in cities all over Indiana.

The goal of the campaign is to create awareness of quality child care and the **Paths to QUALITY™** program, to support and recognize providers for quality care and provide children with better child care and brighter futures.

Level 2 and Level 3 programs will select either a garden flag or a yard sign for display. Level 4 programs will select either a garden flag or a yard sign and have the option of receiving a banner. This project is funded by The American Recovery and Reinvestment Act of 2009 (ARRA).
