

PROGRAM OVERVIEW

Indiana's program to help eligible Hoosiers afford the cost of their employers' health insurance.

Why enroll?

When you enroll in HIP Employer Link and your employer's health plan, your employer will deduct your health insurance premium from your pay.

But each month, before the cost is deducted, HIP Employer Link will send you a pre-payment check for the amount of the deduction, minus a small monthly contribution of 2% of your household income.

Am I eligible?

What is HIP Employer Link?

- Helps pay your monthly premiums
- Helps pay your deductible and co-pays at the doctor, pharmacist, hospital, etc.
- Allows you to use your employer's health care benefits and network of providers

How does it work?
