Governor

**Gregory N. Larkin, M.D., F.A.A.F.P.**  
State Health Commissioner

**DATE:** November 28, 2011

**TO:** All Local Health Departments  
Attn: Chief Food Inspection Officer

**FROM:** *DCG*  
A. Scott Gilliam, MBA, CP-FS  
Director, Food Protection Program

**SUBJECT:** King & Prince Seafood Corp. Recall

**SUGGESTED**

**ACTION:** Unclassified Recall; Nova Style Cold Smoked Salmon and Sable Fish Lox, Salmon Sushi Fillets, and Salmon Trim because it has the potential to be contaminated with *Listeria monocytogenes*; Recommend notification of affected stores via phone, fax or e-mail.

From the information provided by FDA, the products being recalled were distributed in the State of Indiana. The products were distributed nationwide through brokers and foodservice distributors during period starting on October 4th 2011. All products are originally distributed frozen, but may be sold refrigerated at the retail level. All Nova Style, pre-sliced, cold smoked products, sushi fillets, and salmon trims are packed in vacuum pouches and distributed frozen. Detail information is not available at this time. In addition, if any recalled products are found, please notify this office at 317-233-7360.

**FOR IMMEDIATE RELEASE** - November 23, 2011 - **King & Prince Seafood Corp. of Brunswick, GA**, is initiating a voluntary recall of Nova Style Cold Smoked Salmon and Sable Fish Lox, Salmon Sushi Fillets, and Salmon Trim because it has the potential to be contaminated with *Listeria monocytogenes*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea. Listeria infection can cause miscarriages and stillbirths among pregnant women.

To date there have been no reports of illness in connection with this product being recalled.

The products were distributed nationwide through brokers and foodservice distributors during period starting on October 4th 2011. All products are originally distributed frozen, but may be sold refrigerated at the retail level.

All Nova Style, pre-sliced, cold smoked products, sushi fillets, and salmon trims are packed in vacuum pouches and distributed frozen.

The recalled products are marked with one of the following production Date Codes and they are observed on the individual pouches and master cases: 1277W, 1278W, 1279W, 1280W, 1281W, 1283W, 1284W, 1285W, 1286W, 1287W, 1290W, 1291W, 1292W, 1293W, 1294W, 1297W, 1298W, 1299W, 1300W, 1303W, 1306W, 1311W, 1312W, 1313W, 1314W.

For customers who have any of the above products with these codes they should return the product where purchased for full refund. Distributors should notify King & Prince Seafood of quantities they wish to return once their internal recall process has been completed.

If the product was purchased from one of King & Prince Seafood's Re-Distribution partners, product will need to be returned through that Re-Distributor. Product purchased direct from King & Prince Seafood can be returned directly to King & Prince Seafood's warehouse.

The firm initiated a voluntary recall after FDA collected finished products samples and environmental swab samples during the investigation, and the samples were found positive for *Listeria monocytogenes*. This recall is made with the knowledge of U.S Food and Drug Administration.

Customers can contact Customer Service at 1-800-632-5464 between the hours of 8:00 am and 5:00 pm EST Monday through Friday or email to nova@kpseafood.com for a product return authorization.

If you have any question about this recall, please contact Carol T. Hastings, Office 912-261-7030, Email: chastings@kpseafood.com or King & Prince, Bellingham, Washington at 360-733-9090.
