Director, Food Protection Program

SUBJECT: Wellements LLC Recall

SUGGESTED

ACTION: Unclassified Recall; Baby Move™ Prune Concentrate liquid dietary supplement, because the supplier of one of the ingredients used in the product has indicated that the ingredient has the potential to be contaminated with *Salmonella*; Recommend notification of affected stores via phone, fax or e-mail.

From the information provided by FDA, the recalled product may have been distributed in the State of Indiana. Wellements Baby Move™ Prune Concentrate was distributed from January 2012 to July 2012 nationwide through retail stores and online retailers. Detail information is not available at this time. In addition, if any recalled product is found, please notify this office at 317-351-7190.

Recall -- Firm Press Release

FDA posts press releases and other notices of recalls and market withdrawals from the firms involved as a service to consumers, the media, and other interested parties. FDA does not endorse either the product or the company.

Wellements LLC Recalls Baby Move™ Prune Concentrate Because Of Possible Health Risk

Contact

Consumer:
800-255-2690 ext. 210

FOR IMMEDIATE RELEASE -July 20, 2012 - Wellements LLC is issuing a voluntary recall of Baby Move™ Prune Concentrate liquid dietary supplement, because the supplier of one of the

ingredients used in the product has indicated that the ingredient has the potential to be contaminated with *Salmonella*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

No illnesses have been reported to date.

Wellements LLC is issuing a voluntary recall of the following: Wellements Baby Move™ Prune Concentrate 4oz (UPC 729609019878) sold in a glass bottle and packaged in an individual product carton. At this time, all product lots up to and including lot number 12179 are subject to the voluntary recall. Wellements Baby Move™ Prune Concentrate was distributed from January 2012 to July 2012 nationwide through retail stores and online retailers.

On July 13, 2012, Wellements LLC was informed by their contract manufacturer who was informed by raw ingredient supplier Ingredion (formerly Corn Products International Inc.) that retain samples of five lots of a raw material Purimune (Galacto Oligosaccharide) had tested positive for *Salmonella* contamination. **To date, no lots of Wellements Baby Move™ final product have tested positive for Salmonella contamination.**

Consumers who have purchased Wellements Baby Move™ Prune Concentrate are urged to return it to the place of purchase for a full refund. Consumers with questions may contact the company between 8am – 5pm PST at 800-255-2690 ext. 210.
