

Office of State- Based Initiatives

Annual Report 2017

The goal of the Office of State-Based Initiatives is to help ensure Indiana's strong financial health by reviewing federal grant applications and working with agencies to ensure federal grant opportunities align with the state's fiscal and policy priorities.

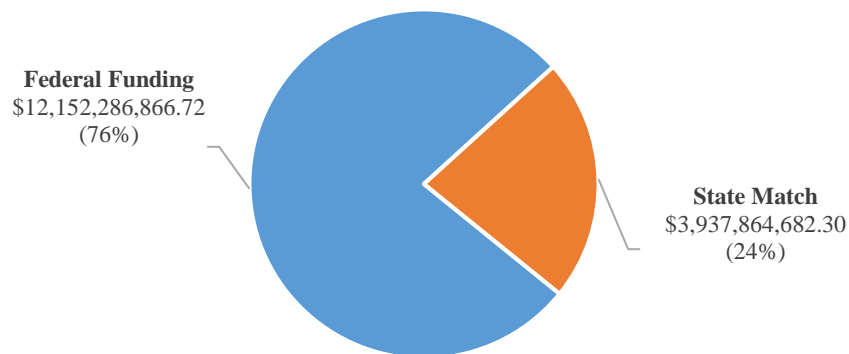

Executive Director,
Luke Kenworthy

Federal Fiscal Year (FFY) 2016 Recap

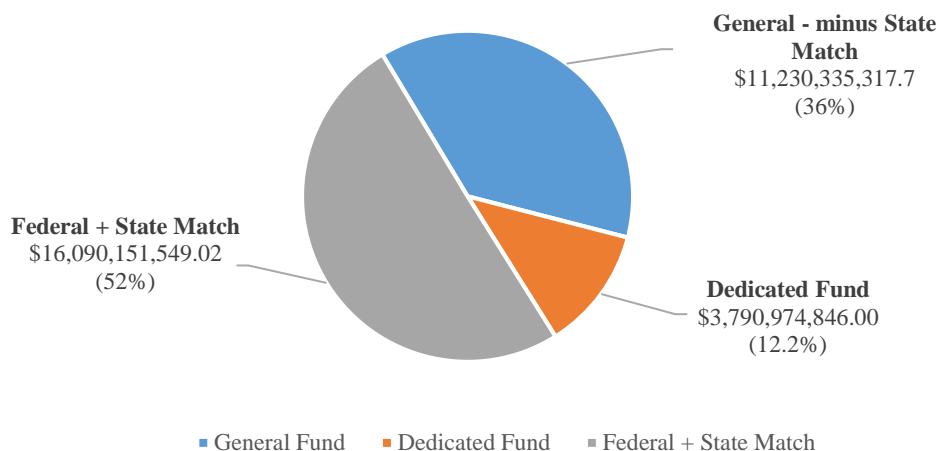

Indiana's budget totaled \$19 billion for State Fiscal Year (SFY) 2016 (\$15.2 billion in General Funds and \$3.8 billion in Dedicated Funds) while maintaining reserves of \$1.8 billion. In addition, Indiana received \$12.2 billion in federal grants, making up 39 percent of total government funding in Federal Fiscal Year (FFY) 2015.

When combining the state match requirements (\$3.9 billion) with federal grants received, the amount Indiana spends on federal programs becomes \$16.1 billion, which is 52% of Indiana spending.

FFY 2016 Federal/State Program Funding \$16,090,151,549.02

FFY 2016 Funding Dedication

Of the 387 federal grants requested by state agencies, 386 were approved and received. While Indiana received 62 more grants than in FFY 2015, the vast majority of the increase of federal funding was for Medicaid.
