

Brown County SWMD: Increased Community Sponsorship for Document Shredding Day

Brown County Solid Waste Management District (SWMD) increased community sponsorship dollars by 325% for their document shredding day on April 27th. Local businesses provided monetary sponsorship for the special event. The day was a total success with 90 vehicles delivering documents and 7,760 lbs. being shredded and recycled, compared to the collection in 2012 of 7,160 lbs.
