Brothers Sauces is a Fort Worth-based award-winning gourmet sauces company owned and operated by Barry and Darryl King. The company has three gourmet grilling/cooking sauces and an original dessert sauce that are great additions to any gift baskets program. Brothers Gold, a Texas Mesquite-Flavored Gourmet Barbecue Sauce, Brothers Heat, a Texas Peppery-Sweet Gourmet Wing and More Sauce and Brothers Spicy Brown Mustard Gold, a Texas Hickory-Flavored Gourmet Barbecue Sauce were created from family recipes. They are sold in Texas' premier specialty grocery stores. The three grilling sauces are sold at all Texas Central Market stores, Dallas-Fort Worth (DFW) Market Street stores and select Whole Food stores in DFW, as well as via www.brotherssauces.com. The dessert sauce recipe was created by the King Brothers great, great grandmother in 1895. It is named Granny Georgia's Brown Suga Original Dessert Sauce after "Granny". It launched in all Central Market stores in March 2010. We look forward to providing or pairing up with other Emerging Business companies and fulfilling the "gift basket" needs with home-grown, local products for Super Bowl 45.

Delia's Ribs & Catering is a barbeque lover's paradise. The secret to making every piece of Delia's Ribs the most anointed, tender, and tantalizing succulent meat that you've ever tasted lies in the spices and rotisserie pit. The pit slowly turns the meat in a self basting style that makes it melt in your mouth. All of this adds up to a truly euphoric eating experience that makes you say, ooooh weeee it's good! We cater events from box lunches to buffet dinners and conduct concessions for outdoor events from festivals to concerts, nascar races, and football games. Delia's has served football fans for the past seven years as a caterer and barbeque & soul food concessionaire at the Lucas Oil Stadium and RCA Dome, Home of the Indianapolis Colts, for all preseason, regular season, and playoff games. Delia's is where you want to be - Paradise.

I started a dress business while attending TCU. I graduated in 1983 and continued building my dress business for 20 years. I manufactured my dresses in Dallas with imported fabric. I had a showroom in the Dallas Apparel Mart and I had sales representatives at the Atlanta and Chicago markets. I sold to over 250 dress boutiques throughout the Southwest and Southeast. Some of my best accounts were Harold's and Pappagallos. I took a break when my fourth child was born. Since then I have focused on my children's education and activities, and volunteering.

I have entered the State Fair of Texas cake contest since 2004. This year I created an original recipe for a lemon cake and named it Blue Ribbon Lemon Cake. It won the Best of Show in the cake contest! I was also invited to participate in Oprah's cooking contest and to appear on Oprah's show at the State Fair of Texas in October 2009.

More recently I taught a TCU cooking class about my 3 blue ribbon cakes at the Viking Cooking School in Dallas.

In 2008 and 2009, I chaired a TCU Holiday Event at Royal Oaks Country Club. We sold out each year with 100 guests. We decorated TCU gingerbread houses at the party. In 2008, I received the TCU Alumni Award for the Most Creative and Innovative TCU Alumni event in the country.

The following are some of my ideas for the Super Bowl fans:

1. Organize a Holiday Event to decorate Super Bowl XLV gingerbread houses. This would be a fun community service project for some Dallas Cowboys to decorate houses with youth long-term patients at a local hospital.
2. Participate in the Taste of the NFL doing cooking demonstrations.
3. For the Foodie Super Bowl Fans, give Super Bowl XLV food cooking demonstrations during the NFL Experience. Visit [susanapple@me.com](mailto:susanapple@me.com) to preview my recipes.

I hope to work with the team to make it the biggest and best Super Bowl in history!

Thanks,  
Susan Apple Grass
