

Indianapolis Airport Authority

DBE/MBE/WBE/VBE capital projects presentation for contractors, designers, planners

Wednesday, February 20, 2013

1 to 3 p.m.

IAA North Campus | 1910 S. Girls School Rd., Indianapolis

Interested in learning more about upcoming construction, design, and planning opportunities for the Indianapolis Airport Authority? DBE/MBE/WBE/VBE vendors specializing in such areas are invited to a special capital projects presentation on Wednesday, February 20.

Topics covered include capital project process, insurance requirements, security, invoicing, electronic project management, and more. Anticipated construction work includes but is not limited to grading and general earth work, asphalt, concrete, building renovation, demolition, electrical, mechanical, roofing, fencing, and maintenance of traffic in support of construction.
