RE: Bidding Opportunity
Debra,

We are preparing a proposal for the following project and would appreciate your assistance by posting the following information on your site. Please call me with any questions/concerns. Thank you!

Invitation to Bid

F.A. Wilhelm Construction Co., Inc. is seeking qualified MBE/WBE/VBE Subcontractors & Suppliers for the following project:

Frederick Street CSO Interceptor Sewer & Recreational Trail

Location: Huntington, Indiana

Bid Date: December 17, 2012

Bid Time: 3:30 P.M. (EST)

Estimator: Derek Davidson

The construction of this project includes approximately 6100 lf of 36" to 54" diameter interceptor sewer pipe. The bidding documents allow for the centrifugally cast fiberglass reinforced polymer mortar pipe or reinforced concrete pipe. The project also includes approximately 17,000 CY of rock excavation. The majority of the interceptor sewer will be installed under existing pavement and restoration will include asphalt pavement repair, milling, and resurfacing or full depth replacement. The interceptor sewer will allow the abandonment of an existing sanitary lift station. Along a portion of the proposed interceptor sewer route a recreational trail will be constructed with pervious asphalt pavement.

The MBE/WBE goals for this project are 5% and 6% respectively.

For additional information and plan availability, contact the Estimator or Shawn Seaman at 317/359-5411 or visit our website at www.fawilhelm.com/bid-board.

Thank you,

Shawn Seaman
