**Subject:** INDOT Contract RS-30962-A PCCP Patching project bidding on July 9, 2008 on US-231 @ I-74 in Montgomery County - Goal of 4% DBE

We need your assistance on finding DBE qualified contractors and suppliers that would be interested in this job. If you have any union contractors that can do any of the following work, please let us know:

- Milling for spall repairs
- Asphalt spall repairs
- Concrete deep sawing of 10"
- Sealing of joints
- Construction signs
- Striping
- Construction engineering
- Concrete supply
- Aggregate supply
- Asphalt underseal
- Supply of steel dowels

Thank you,

Eric Suess
