

# Conditional Sales Agreement

WITNESSETH THIS AGREEMENT dated **February** \_\_\_\_, **2014**, by and between **THE STATE OF INDIANA** acting through the Indiana Department of Administration, (“Seller”) and \_\_\_\_\_, (“Buyer”).

In consideration of this Agreement, Seller and Buyer agree as follows:

1. Sale of Property. Seller agrees to sell to Buyer, and Buyer agrees to buy from Seller, the following property (collectively, “Property”):

- 1.1 Property. The property commonly known as **Pine Drive & State Road 66, Newburgh, IN, Warrick County, Indiana**, described on the attached **Exhibit A** (“Land”) together with all buildings, improvements and fixtures constructed or located on the Land (“Buildings”) and all easements of record and rights benefiting or appurtenant to the Land (collectively the “Property”), subject to all existing legal rights-of-way, easements, conditions and restrictions of record.
- 1.2 Access. The subject parcel currently has limited public access or right of entry. The buyer will be responsible for gaining legal access to the property. Ingress/Egress permits may be submitted to the Department of Transportation and approved or denied at the agencies sole discretion. No assurance of such a permit is expressed or implied.
- 1.3 Personal Property. No personal property is being sold or conveyed as a part of this Purchase Agreement.

2. Purchase Price, Buyer’s Premium, and Manner of Payment. The total purchase price (“Purchase Price”) to be paid for the Property shall be \_\_\_\_\_ Dollars (\$\_\_\_\_\_). The Purchase Price shall be payable as follows:

- 2.1 In conjunction with execution of this Agreement (the “Execution Date”), Buyer shall submit \_\_\_\_\_ Dollars (\$\_\_\_\_\_) to Seller as earnest money (“Earnest Money”). In the event this Agreement is not accepted by Seller, the Earnest Money shall be promptly returned to Buyer. Upon acceptance of this Offer by Seller, such Earnest Money shall secure the Buyer's performance of this Agreement and in the event of a default by Buyer in the performance of its obligations herein specified, Seller shall have the right to terminate this Agreement and the Earnest Money shall be paid to Seller as liquidated damages as Seller’s sole remedy at law or in equity; and
- 2.2 The balance of the Purchase Price, subject to adjustments as set forth herein, shall be payable in certified funds or by electronic transfer of funds on the “Closing Date” (as hereinafter defined).
- 2.3 In addition to the Purchase Price, Buyer shall, at Closing as hereinafter defined, pay Seller’s representative a 10% Buyer’s premium pursuant to the terms of a separate addendum to this Agreement.

3. Contingencies and Inspection Period. The obligation of the Seller is contingent upon approval of the transaction contemplated by this Agreement as required by **IC 4-13-2-14.1, IC 4-13-2-14.2 and IC 4-20.5-7**.

4. Closing. In the event that Seller has accepted this Agreement and the parties proceed to closing, the closing of the purchase and sale contemplated by this Agreement (the "Closing") shall occur within thirty (30) days following State approval as set forth above (the "Closing Date"), **such final closing is subject to and conditional upon approval by the Office of the Governor and the Indiana Attorney General**, unless extended by mutual agreement of the parties. The Closing shall take place at a time, place, and on a date agreeable by Seller and Buyer. The Buyer will be responsible for title fees, escrow fees, and costs charged by the company with whom the earnest money is deposited as outlined in Section 5.1.

- 4.1 Seller's Closing Documents. On the Closing Date, Seller shall have executed and delivered or caused to be delivered to Buyer the following (collectively, "Seller's Closing Documents"), all in form and content reasonably satisfactory to Buyer:
  - 4.1.1 Deed. A Quitclaim Deed conveying the Property to Buyer, **an exemplar of such Quitclaim Deed is attached hereto as Exhibit B**.
  - 4.1.2 Documents. Copies of all contracts, permits and warranties affecting the Property that will survive the Closing, if any.
  - 4.1.3 Sales Disclosure Form. An Indiana sales disclosure form.
  - 4.1.4 Other Documents. All other documents reasonably determined by Buyer to be necessary to transfer title to the Property to Buyer free and clear except Permitted Exceptions to Title.
- 4.2 Buyer's Closing Documents. On the Closing Date, Buyer will execute and deliver to Seller the following (collectively, "Buyer's Closing Documents"):
  - 4.2.1 Purchase Price. Funds representing the Purchase Price, by electronic transfer of immediately available funds.
  - 4.2.2 Assumption of Contracts, Permits, Warranties and Miscellaneous Documents. An Assumption of Contracts, Permits and Warranties, if any, assuming Seller's obligations under such documents.
  - 4.2.3 Sales Disclosure Form. An Indiana sales disclosure form.
  - 4.2.4 Other Documents. All other documents reasonably determined by Seller or Title Company to be necessary to complete the transaction contemplated by this Agreement.

5. Allocation of Costs. Seller and Buyer agree to the following allocation of costs regarding this Agreement:

- 5.1 Title Insurance and Closing Fee. Buyer shall be solely responsible for the payment of all premiums and fees associated with title insurance, including any and all closing fees or recording charges. Buyer shall be responsible for payment, at or before Closing, of search fees charged by the title company from whom Seller obtained a preliminary title review and commitment. Unless waived by the title company, said closing fees shall be payable by Buyer whether or not Buyer obtains a policy of title insurance.
- 5.2 Taxes and Assessments. The Property being conveyed is owned by the State of Indiana and is exempt from all real property taxes. The Seller shall assume no responsibility or liability for any real property taxes or other assessments from which it is statutorily exempt. Buyer shall be solely responsible for, and indemnify Seller against, any and all real property taxes assessed with respect to the Real Property on or after Closing.

5.3 Utilities. Seller shall either ensure that utility service to the Property is disconnected as of the Closing Date or shall cooperate with Buyer in having such utility services transferred to Seller's account. All contracts relating to operating the Property shall be canceled as of the Closing Date.

5.4 Attorney's Fees. Each of the parties will pay its own attorney's fees.

6. Evidence of Title. In the event that Buyer does not order and receive a commitment for title insurance, Seller shall, at its expense, within ten (10) days after written request from Buyer, furnish to Buyer a copy of the documents by which the State obtained or otherwise holds title or a letter from the State Land Office describing the documents by which the State obtained and otherwise holds title. Seller will cooperate with the Buyer or its title company in clarifying or resolving any perceived deficiencies or clouds in the title, but shall not be required to incur any expense beyond commitment of the time of the State Land Office. If such issues cannot be resolved to Buyer's satisfaction, Buyer may terminate this Agreement, and the Earnest Money, if any, shall be returned.

7. Maintenance of the Real Property Prior to Closing. During the period from the date of Seller's acceptance of this Agreement to the Closing Date, Seller shall maintain the Property and improvements in a reasonably prudent manner. Seller shall execute no contracts, leases or other agreements regarding the Property between the date hereof and the Date of Closing that are not terminable on or before the Closing Date, without the prior written consent of Buyer, which consent may be withheld by Buyer at its sole discretion.

8. Representations and Warranties by Seller. Seller represents and warrants to Buyer as follows:

8.1 Existence; Authority. Seller has the requisite power and authority to enter into and perform this Agreement and to execute and deliver Seller's Closing Documents; such documents have been duly authorized by all necessary action.

8.2 Contracts. Seller has made available to Buyer a correct and complete copy of any Contract and its amendments which will survive a closing hereunder, if any.

8.3 Operations. Seller has received no written notice of actual or threatened cancellation or suspension of any utility services for any portion of the Property. Seller has received no written notice of actual or threatened special assessments or reassessments of the Property.

8.4 Litigation. To Seller's knowledge, there is no litigation or proceeding pending or threatened against or relating to the Property, nor does Seller know of or have reasonable grounds to know of any basis for any such action or claim.

8.5 Physical Condition. Seller makes no representation or warranty concerning the physical condition of the Property and puts Buyer to the obligation to satisfy itself pursuant to the contingency contained in Section 3 above.

9. Casualty; Condemnation. If all or any part of the Property is materially damaged by fire, casualty, the elements or any other cause, Seller shall immediately give notice to Buyer, and Buyer shall have the right to terminate this Agreement and receive back all Earnest Money by giving notice within thirty (30) days after Seller's notice. If eminent domain proceedings are threatened or commenced against all or any part of the Property, Seller shall immediately give notice to Buyer, and Buyer shall have the right to terminate this Agreement and receive back all Earnest Money by giving notice within thirty (30) days after Seller's notice. Termination of this Agreement and return of all Earnest Money are Seller's sole remedies

10. Notices. Any notice required or permitted hereunder shall be given by personal delivery upon an authorized representative of a party hereto; or if mailed by United States certified mail, return receipt requested, postage prepaid; or if transmitted by facsimile copy followed by mailed notice; or if deposited cost paid with a nationally recognized, reputable overnight courier, properly addressed as follows:

If to Seller: Commissioner  
Indiana Department of Administration

If to Buyer:

With a Copy to:

Notices shall be deemed effective on the date of receipt. Any party may change its address for the service of notice by giving notice of such change ten (10) days prior to the effective date of such change.

11. Miscellaneous. The paragraph headings or captions appearing in this Agreement are for convenience only, are not a part of this Agreement, and are not to be considered in interpreting this Agreement. This written Agreement constitutes the complete agreement between the parties and supersedes any prior oral or written agreements between the parties regarding the Property. There are no verbal agreements that change this Agreement, and no waiver of any of its terms will be effective unless in a writing executed by the parties. This Agreement binds and benefits the parties and their successors and assigns. This Agreement has been made under the laws of the State of Indiana, and any suit must be brought in an Indiana court of competent jurisdiction.

12. Remedies. If Buyer defaults, and if Buyer fails to cure such default within ten (10) days of the date of notice of such default from Seller, then Seller shall have the right to terminate this Agreement by giving written notice of termination to Buyer. In the event of termination Seller will receive the Earnest Money as liquidated damages, time being of the essence of this Agreement. The termination of this Agreement and retention of the Earnest Money will be the sole remedy available to Seller for such default by Buyer, and Buyer will not be liable for damages or specific performance. Buyer's sole remedy for any default by Seller shall be termination of this Agreement and return of the Earnest Money.

13. Buyer's Examination. Buyer is relying solely upon its own examination of the Property and inspections in determining its physical condition, character, and suitability for Buyer's intended use of the Property and is not relying upon any representation by Seller or any broker, except for those made by Seller directly to Buyer in writing in **Exhibit C, which is attached to this agreement**. Buyer agrees and acknowledges that it is accepting the Property "AS IS" subject to all faults of every kind and nature whatsoever, whether latent or patent, and whether now or

hereafter existing, and Buyer acknowledges that it has based its decision to purchase the Property solely upon information obtained independently by Buyer. Buyer shall sign a Hold Harmless Affidavit, **an exemplar of such Hold Harmless Affidavit is attached hereto as Exhibit D**. Buyer shall acquire the Property subject to all laws imposed upon the Property by any governmental or quasi-governmental authority having jurisdiction thereof. Buyer represents and warrants to Seller that Buyer has not relied, and will not rely, upon the representation or statement, or the failure to make any representation or statement, by Seller or Seller's agents, employees or by any person acting or purporting to act on the behalf of Seller with respect to the physical condition of the Property.

14. Compliance with Telephone Privacy. As required by IC 5-22-3-7:

(1) The Buyer and any principals of the Buyer certify that (A) the Buyer, except for de minimis and nonsystematic violations, has not violated the terms of (i) IC 24-4.7 [Telephone Solicitation Of Consumers], (ii) IC 24-5-12 [Telephone Solicitations] , or (iii) IC 24-5-14 [Regulation of Automatic Dialing Machines] in the previous three hundred sixty-five (365) days, even if IC 24-4.7 is preempted by federal law; and (B) the Buyer will not violate the terms of IC 24-4.7 for the duration of the Contract, even if IC 24-4.7 is preempted by federal law.

(2) The Buyer and any principals of the Buyer certify that an affiliate or principal of the Buyer and any agent acting on behalf of the Buyer or on behalf of an affiliate or principal of the Buyer (A) except for de minimis and nonsystematic violations, has not violated the terms of IC 24-4.7 in the previous three hundred sixty-five (365) days, even if IC 24-4.7 is preempted by federal law; and (B) will not violate the terms of IC 24-4.7 for the duration of the Contract, even if IC 24-4.7 is preempted by federal law.

15. Withdrawal of Offer. This Agreement shall be deemed to be withdrawn, unless accepted by Seller, after one-hundred-fifty (150) days of delivery to Seller. In the event of a withdrawal under this section, Buyer shall be entitled the return of the Earnest Money.

16. Additional terms.

Cultural Resource Management reports, other research reports, grant reports on file at DHPA or other institutions

Previous Archaeological Studies within One Mile of the Project (include citations):

In total, 15 archaeological investigations have been completed within 1.6 km (1 mile) of the project area (Figure 2). Thirteen of the investigations were Phase Ia reconnaissances (Beard 1990, 2008; Bennett 1997; Cantin 1991, 1994; Carson 2003; Helmkamp and Javorsek 2000; Klabacka 2008; Mankowski and Pope 2003; Moffatt 2008a, 2008c; Sanders and Pope 2003; Stafford 1988).

In addition, a Phase Ib was conducted at 12Sp693 (Moffatt 2008b) resulting in a combined Phase II/III testing and mitigation of a historic residence and doctor's office (Roberts et al 2010).

List other institutions:

Cemetery Records

Results: There are three cemeteries within 1.6 km (1 mile) of the project area: Hedges, Castle, and Rose Hill. None of these cemeteries are within 33 m (100 ft) of either parcel.

McGregor Industrial Site records (in applicable counties)

Results: None within 1.6 km (1 mile) of the project area.

County Interim Report

Results: The circa 1857 Joseph Snyder house is located between the two parcels.

Historic Maps

Results: The J. Snyder house and a school are shown on the 1876 atlas, between the two parcels (Andreas 1968).

Known Cultural Manifestations and/or Additional Information:

Prehistoric cultural manifestations near the project area reflect the general cultural sequence of the state from Paleoindian through Euroamerican contact. Paleoindian sites are more common on the terraces and floodplains of the Ohio River drainage system (Tankersley et al. 1990). Projectile points diagnostic of the Early Archaic are more common in the uplands in this area than other Archaic periods (Stafford et al. 2000). Specific cultures include the Late Archaic French Lick Phase, the Early Woodland Adena or Crab Orchard, the Middle Woodland Allison-LaMotte, Late Woodland Albee Phase, and the Late Prehistoric Middle Mississippian.

Warrick County was established in 1813 and was reduced to its present boundaries in 1818. The first Euro-American to arrive in the county settled near Newburgh around 1803. Newburgh was a prominent port in the early nineteenth century, before the railroads bypassed it for Evansville in Vanderburgh County. The project area was located near an early plank road, built in 1821, that connected Newburgh to Boonville to the north (Historic Landmarks Foundation of Indiana 1984).

**FIELD INVESTIGATION:** (check all that apply) Field Investigation Dates (month, day, year): June 21, 2012

Field Supervisor: David Moffatt

Field Crew: Shaun Miller, Jeffrey Laswell, Matthew Coon, Erin Gould, Katie Lange

Surface Visibility: 0%

Factors Affecting Visibility: grass, weeds, brush, and other vegetation

Visual Walkover  Pedestrian Survey  Shovel Test  Screened  Mesh Size 1/4 in

Interval 5 m  10 m  15 m  Other (describe below)

Number of Shovel Test Units Excavated: Ten shovel test were excavated at each parcel, for a total of 20.

Describe Methods: The entire project area was examined through shovel tests at 15 m intervals. Shovel tests were at least 30 cm in diameter and 30 cm deep placed at 15 m or smaller intervals. All st's were excavated to sterile soil and the sediment screened through 1/4" hardware cloth.

Attach photographs documenting disturbances below

Describe Disturbances: Parcel #57 - This parcel was heavily disturbed (Figure 3). There is a gravel drive connecting the access road to a parking lot to the east. A water line runs east-west parallel to the drive. There is a shed or garage still standing on the property to the southwest and a large depression in the north center where a structure was once located (Figures 5-7). East of the depression was a pile of cement rubble and dirt where a sidewalk was pushed with large machinery. Shovel tests were placed east and west of the depression on south-north transects, sampling the front, side, and back yards (Figure 3).

Parcel #89 - The northern most 5 to 10 m of this parcel consisted of steep slope along the SR 66 road cut. In the center of the parcel is evidence of a razed structure (Figure 8). The two east to west transects sampled the front, side and back yard area of the structure.

Comments: No artifactual evidence of the structures in either parcel were identified through shovel probes, though depressions in the parcel indicate their presence in the past. There were structures on the Topographic map

### Results

- Archaeological records check has determined that the project area does not have the potential to contain archaeological resources.
- Archaeological records check has determined that the project area has the potential to contain archaeological resources.
- Phase Ia reconnaissance has located no archaeological resources in the project area.
- Phase Ia reconnaissance has identified landforms conducive to buried archaeological deposits.

Actual Area Surveyed hectares: 00.4 acres: 01.0

### Recommendation

- The archaeological records check has determined that the project area has the potential to contain archaeological resources and a Phase Ia archaeological reconnaissance is recommended.
- The archaeological records check has determined that the project area does not have the potential to contain archaeological resources and no further work is recommended before the project is allowed to proceed.
- The Phase Ia archaeological reconnaissance has located no archaeological sites within the project area and it is recommended that the project be allowed to proceed as planned.
- The Phase Ia archaeological reconnaissance has determined that the project area includes landforms which have the potential to contain buried archaeological deposits. It is recommended that Phase Ic archaeological subsurface reconnaissance be conducted before the project is allowed to proceed.
- The Phase Ia archaeological reconnaissance has determined that the project area is within 100 feet of a cemetery and a Cemetery Development Plan is required per IC-14-21-1-26.5.

Other Recommendations/Commitments:

**Pursuant to IC-14-21-1, if any archaeological artifacts or human remains are uncovered during construction, demolition, or earthmoving activities, state law (Indiana Code 14-21-1-27 and 29) requires that the discovery must be reported to the Department of Natural Resources within two (2) business days. In that event, please call (317) 232-1646.**

Re: RED FLAG INVESTIGATION  
LA Code 3559, Parcels 57 and 89  
Excess Parcel Disposal  
SR 66, Newburgh  
Warrick County, Indiana

## **NARRATIVE**

This RFI is being performed for the sale of excess parcels. The subject parcel was acquired by INDOT for right-of-way purposes for DES 8720745, Added Travels Lanes on SR 66 in Newburgh. INDOT has decided that this surplus land will not be needed for right-of-way or other transportation purposes within the foreseeable future. A legal description of the Parcel 57, which is located 0.54 mile west of the intersection of SR 261 and SR 66 is as follows:

A part of the East Half of Section 22, in Township 6 South, in Range 9 West, Warrick County, Indiana, bounded and described as follows: Beginning at a point on the South line of said half quarter quarter section 220 feet East of the Southwest corner thereof, and running thence North 340 feet; thence running East 110 feet; thence running South 340 feet to the South line of said half quarter section; thence west on said South line 110 feet to the point of beginning, and containing  $85/100$  of an acre, more or less.

EXCEPT: A part of the East Half of Section 22, in Township 6 South, in Range 9 West, Warrick County, Indiana, bounded and described as follows: Beginning at a point on the South line of said half quarter quarter section 220 feet East of the Southwest corner thereof, and running thence North 340 feet; thence running East 15 feet; thence running south to the South line, of said Half Quarter Section, a distance of 340 feet; thence running West 15 feet to the place of beginning, containing  $11/100$  of an acre, more or less.

The above description taken from a Warranty Deed dated January 28th, 1994, and recorded in Deed File 3, Card 15571 in the Office of the Recorder of said county.

TOGETHER with the permanent extinguishment of all rights and easements of ingress and egress and egress to, from, and across the above described real estate.

A legal description of the Parcel 89, which is located 0.13 mile east of the intersection of SR 261 and SR 66 is as follows:

Lot Twenty-Eight (28) in Section "A", Broadview Subdivision, a subdivision of part of the Northwest Quarter of Section Twenty-Six (26), Township Six (6) South, Range Nine (9) West, in Warrick County, Indiana, according to the recorded plat thereof, as recorded in Plat Record 4, page 256, in the Office of the Recorder of Warrick County, Indiana.

TOGETHER with the permanent extinguishment of all rights and easements of ingress and egress to, from, and across the above described real estate excepting on any part of said real estate which is not utilized in the limited access portion of the above-described project. Subject to all easements and restrictions as shown on said subdivision plat.

**Explanation:**

**Other Road Projects:** Traffic Signal Modernization and Added Travel Lanes projects are active in the vicinity of SR 261 and SR 66. No impact is expected from the sale of either parcel.

**Cemeteries:** Hedge Cemetery is located approximately 0.33 mile northeast of Parcel 57. No impact is expected from the sale of either parcel.

**Religious Facilities:** Gateway Church is located approximately 0.35 mile northwest of Parcel 57. No impact is expected from the sale of either parcel.

**Schools:** Trinity College of the Bible is located approximately 0.4 mile south of SR 66 on Old SR 261. No impact is expected from the sale of these parcels.

**Pipelines:** Southern Indiana Gas and Electric has two (2) natural gas pipelines that run in a general east-west direction over 0.25 mile south of SR 66. Ashland Oil has one (1) crude oil pipeline that is 0.33 mile west of Parcel 57. No impact is expected from the sale of either parcel.

**Explanation:**

**Surface Mines:** One surface mine was noted at the eastern edge of the ½ mile buffer, and records indicate that it operated from 1975 to 1981. No impact is expected from the sale of either parcel.

**Ecological Information**

The Warrick County listing of the Indiana Natural Heritage Data Center information on endangered, threatened, or rare (ETR) species and high quality natural communities is attached with ETR species highlighted.

Research into the Indiana Heritage database revealed no state or federal ETR species within a ½ mile radius of the subject parcel. Sale of the subject parcels is not expected to impact ETR species or high quality natural communities.

If Early Coordination was completed prior to submission of the red flag for review and IDNR has commented, those comments can be included in place of the above process.

**Cultural Resources**

A review by the Cultural Resources Section is pending and had not been completed at the time of this RFI.

**Explanation:**

**Institutional Control Sites:** One Institutional Control Site, which is also a LUST site, is located at 4011 SR 261, the southwest corner of the intersection of SR 66 and SR 261. This is Tobacco Road 138/Marathon 2230 has an Environmental Restrictive Covenant that restricts land use because of the presence of soil and groundwater contamination. No impact is expected from the sale of either parcel.

**USTs:** The nearest UST site is 0.1 mile east of Parcel 57. No impact is expected from the sale of either parcel.

**LUSTs:** Other than the LUST site discussed above, the only other site close to Parcel 89 is Huck’s 272, which is located on the southeast corner of the intersection of SR 261 and SR 66. A No Further Action Letter was issued by IDEM for this site on 7-13-09. No impact to or from any of the LUST sites is expected.

**RECOMMENDATIONS:**

**Infrastructure:** N/A

**Water Resources:** N/A

**Mining/Mineral Exploration:** N/A

**Ecological Information:** If Early Coordination was completed prior to submission of the red flag for review and IDNR has commented, those comments should be included.

**Cultural Resources:** A review by the Cultural Resources Section is pending and had not been completed at the time of this RFI.

**HazMat Concerns:** N/A
