All meetings, demonstrations, public and private gatherings, and other events that will take place in the buildings or grounds of the Statehouse and its surrounding grounds during normal business hours must have the prior written approval of the Indiana Department of Administration (IDOA).

I. RESERVATIONS

All events occurring at the State House between 5:00 pm and 8:00 am, and on Saturdays, Sundays, and legal holidays, are subject to a fee of **\$750.00**. **A deposit of \$250.00 is required by «UA Due Back» with the balance of \$500.00 due thirty (30) days from the date of «UA Due Back».** **The entire fee of \$750.00 can be paid at the time of signing the Use Agreement and will ensure the event reservation confirmed. Checks should be made payable to the Indiana Department of Administration. No reservations will be held without payment of this fee.**

Failure to remit the balance of \$500.00 by the thirty (30) day period from signing of the Use Agreement, the event reservation will be cancelled and the \$250.00 deposit will be forfeited. If an event is cancelled within the thirty (30) day period, the \$250.00 deposit will be refunded. IDOA will give a full refund if the event is cancelled six (6) months or more in advance, a 50% refund if cancelled between three (3) and six (6) months in advance, and no refund if cancelled with less than three (3) months notice or if the user is a no-show.

II. RESTRICTIONS ON USE

This Use Agreement is granted subject to the plans for use described above discussed and/or submitted by User to IDOA prior to signing the Use Agreement. Any use that is not consistent with the plans or described use is impermissible.

IDOA reserves the right to refuse use of the building and grounds for any event that may compromise IDOA's ability to maintain adequate security or adequately protect the public's health, safety and welfare.

The building and grounds shall not be used for any unlawful purpose or for soliciting support for products, services, items for purchase, or support for an ideological or political methodology being offered to the general public.

An event may not interfere with normal government operations or with normal public access to the building or grounds. Entrances and exits must not be blocked. No more than 25 chairs can be in the Rotunda during business hours.

Wedding groups, in particular, must be aware that birds cannot be encouraged to nest around the Statehouse. Therefore, birdseed, rice, or other items that will attract birds cannot be allowed.

User must confine the event to the specified area. **Use will be confined to the 2nd floor (main level) of the building.** User must:

- a) Provide information for the set-up before and cleaning up after the function; removing all personal items immediately **all equipment shall be carried; not dragged** to help preserve the marble floors;
- b) require all participants to observe these guidelines and all applicable fire, occupancy and building codes;
- c) provide all services and facilities that the event may require (with the exception of rest rooms and electrical); and
- d) be responsible for any and all damage either caused by participants and/or observers of the event or occurring as a direct result of the event.

Additional restrictions may apply during the months that the Legislature is in session.

III. PRIORITY

Events sponsored by elected officials and agencies of the State of Indiana have scheduling priority and all other events are considered on a case-by-case basis. IDOA reserves the right to cancel or reschedule any event conflicting with state programming at least six (6) months prior to the scheduled event date.

IDOA limits the use of the building and grounds by non-state agencies.

IV. HOURS

Events or displays may be scheduled during regular business hours (8:00 AM – 5:00 PM, Monday through Friday). These events or displays cannot impede or interfere with the operational use of the building. Public areas are available for use on weekends. Hours of use on a weekend will be determined on a case by case basis. Weekend events must finished by 9 pm.
