Minimum sustainable qualities: SCS Indoor Advantage

Product Code H: Conference Room Chair

Product Description:

Fully upholstered, 5 arm black base, hard dual wheel casters, synchro tilt mechanism, pneumatic height adjustment, adjustable seat depth, height and width adjustable arms

Seat depth: minimum of 19" and a maximum of 21"

Seat Width: minimum of 20" and a maximum of 22"

Fabric Grade: 10

Minimum sustainable qualities: SCS Indoor Advantage

Product Code Table A: Nesting Table 18x59-60

Product Code Table A1: 18x59-60 with modesty panel and wire management

Product Code Table B: Nesting Table 18x 71-72

Product Code Table B1: 18x71-72 with modesty panel and wire management

Product Code Table C: Nesting Table 24x59-60

Product Code Table C1: 24x59-60 with modesty panel and wire management

Product Code Table D: Nesting Table 24x71-72

Product Code Table D1: 24x71-72 with modesty panel and wire management

Product Code Table E: Nesting Table 30x36

Product Code Table E1: 30x36 with modesty panel and wire management

Product Code Table F: Nesting Table 30x59-60

Product Code Table F1: 30x59-60 with modesty panel and wire management

Product Code Table G: Nesting Table 30x71-72

Product Code Table G1: 30x71-72 with modesty panel and wire management

Specifications:

Laminate nesting tables on locking casters, top minimum of 1-1/8" thick, 3mm edge band,

Product Code Table H: 36" round table
Product Code Table I: 42" round table
Product Code Table J: 48" round table
Product Code Table K: 36" square table

Product Specifications:

Round and square tables with laminate top, plastic edge, X-base polished chrome, adjustable leveling guides,

Minimum sustainable qualities:, SCS Indoor Advantage

Product Code Table L: Coffee Table

Product Specifications:

Coffee table must be high pressure laminate, 26-28w x 26-28dx 16-18h, must be a square box style with polished aluminum legs

Minimum sustainable qualities: SCS Indoor Advantage

Product Code Table M: End Table

Product Specifications:

End table must be high pressure laminate; 15-17h x 13-14w x 26-28d must be a box style with polished aluminum legs

Minimum sustainable qualities:, SCS Indoor Advantage

Product Code N: racetrack table with 2 cylinder bases 36x72
Product Code N1: racetrack table with 2 cylinder bases 48x96
Product Code N2: racetrack table with 3 cylinder bases 144x48

Product Description:

Racetrack Table with cylinder bases, must have laminate top, and edge

Minimum sustainable qualities:, SCS Indoor Advantage

Product Code Table O: Rectangle conference table with 2 double t-legs 36x72
Product Code Table O1: Rectangle conference table with 2 double t-legs 48x96

Product Specifications: rectangular conference Table, with 2 double t-legs, must have laminate top and edge

M1: Mobile Lecturn on Wheels

Product description:
