Clean 'n Green Floor Finish

Clean 'n Green Floor Finish is a breakthrough zinc-free finish technology exhibiting durability similar to conventional zinc based finishes. An environmental solution that will reduce problems with sewage effluent. Unique cross-link technology reduces scuffing and extends stripping frequency. Requires no sealer. Low odor finish that may be used in all floor care programs—from infrequent maintenance to periodic UHS burnishing.

Clean 'n Green Floor Maintainer

Clean 'n Green Floor Maintainer enhances the gloss in any UHS burnishing program. Designed as a companion maintainer to Clean 'n Green Floor Finish. Fulfills the need for a low foam environmentally responsible cleaner maintainer for use in automatic scrubbers and mopping applications. Use in high and low speed spray buffing programs. With its proprietary polymer-detergent system it does not yellow, discolor or build-up. It forms a hard, crystal clear detergent resistant film that protects the floor and base finish and helps extend the stripping cycle.

Restroom Cleaning

Clean 'n Green Restroom and Shower Cleaner is an organic salt of acid that activates on contact with soil. It has the cleaning power of HCl or Phosphoric Acid to remove scale, yet ships, handles & stores like a non-acid cleaner.

Dissolves hard water scale while also removing soap scum, mold stains, mildew stains and rust.

Use on sinks, toilets, urinals, water fountains, showers, tubs, tile, grout, glass, copper, brass, fiberglass and stainless steel.

Safer Scale Remover

Clean 'n Green Restroom and Shower Cleaner is four ways safer in use.

1. RTU Health Rating of 1 — most scale removers & acid bowl cleaners have a Health Rating of 3
2. Green Seal™ Certified — independently certified as a GS-37 (2009) cleaner
3. No Harsh Acid Fumes — use to clean showers, urinals, toilets, etc. Workers love it!

Worker safe

Keeps Costs Down

Most hard water scale removers are ready-to-use (RTU) and expensive. Clean 'n Green Restroom and Shower Cleaner is a concentrate that automatically and accurately dilutes from a dispenser — dilutes two ways based on soil load.

Replaces expensive RTU bowl cleaners. **NOTE:** If you prefer a RTU, Clean 'n Green Restroom and Shower Cleaner is also available as a RTU - Clean 'n Green Bowl Cleaner Plus RTU - that is relatively less expensive than most bowl cleaners, yet has the same safer characteristics.

Lowers your cost compared to conventional bowl cleaners
