

CLAIMING PURCHASING PREFERENCES

Each bidder should review the various procurement preferences allowed by State statute. A summary of the preferences can be found on the IDOA website: <https://www.in.gov/idoa/procurement/supplier-resource-center/>.

Each bidder must answer the following questions pertaining to purchasing preferences. **No preference will be applied unless these questions have been answered and any required attachments included.**

1. Are you **claiming** the U.S. Manufactured Product Preference (IC 5-22-15-21)? (This is per individual line and should be noted below)

Yes ☒ No ☐

If claiming the U.S. Manufactured preference, Respondents must clearly specify the items qualified for the preference, at the individual line level, on the lines provided below. A product is manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States exceeds 50% of the cost of all its components. (In determining if a product is manufactured in the United States, only the product and its components shall be considered.) This preference can only be applied to the items the State is actually purchasing.

Additionally, Respondents must include a letter on **company (manufacturer) letterhead** confirming the cost of the product or its components exceed 50% of the cost of all components.

If claiming this preference, the bidder is certifying under penalties of perjury that each of the bidder's end products claimed is a U.S. Manufactured Product as described in IC 5-22-15-21. **Failure to indicate individual line items claimed under this preference or failing to include a letter may affect the evaluation of the bid.**

Please list what line items this preference will apply to:

LINES 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15
