PROFESSIONAL EXPERIENCE

Project Consultant

Indiana IEP Resource Center (IEPRC), Indiana State University

September 2021 – Present

Indianapolis, IN

- Facilitate IEP meetings to promote solution-focused collaboration centered on the needs of students.
- Work with schools and districts to develop an understanding of Multi-Tiered System of Support (MTSS) and provide tailored assistance to implement MTSS
- Provide universal support to the field by presenting introductory sessions on MTSS
- Assist colleagues in presentations on Universal Design for Learning (UDL), Specifically Designed Instruction (SDI), High Leverage Practices (HLP), and Multi-Tiered System of Support (MTSS)
- Assume assigned role(s) and work with colleagues to host the annual Focus on Inclusion conference.

School Improvement Specialist

Indiana Department of Education

October 2017 – September 2021

Indianapolis, IN

- Developed the comprehensive needs assessment/school improvement plan (CNA/SIP) template used by all CSI and ATSI schools in Indiana
- Provided personalized and universal technical assistance to schools for developing systems-based frameworks for continuous improvement
- Guided schools through the process of curriculum alignment and development, including the formation of instructional calendars, formative assessments, and progress monitoring strategies

- Collaborated with the other offices in the Indiana Department of Education to assist schools in creating effective multi-tiered systems of supports
- Evaluated the CNA/SIPs for all CSI schools, provided feedback, and collaborated with Title I specialists for 1003 grant compliance
- Worked with colleagues to develop and execute a process for administering state 1008 grant funding to successful recipients
- Led seven School Quality Review teams on school site visits and provided extensive and actionable follow-up reports to the schools in compliance with Indiana State Board of Education requirements

School Administrator

Southern Wells Elementary School

August 2012 – July 2017

Poneto, IN

- Brought the corporation into Article 7 compliance within one year after federal sanctions for least restrictive environment violations
- Implemented multi-year, job-embedded professional growth system to build teachers' capacity in effective literacy instruction
- Assessed teachers' effectiveness and applied dialogic and directive coaching techniques to improve instructional practices

School Administrator

Lancaster Elementary School

August 1998 – July 2012

Huntington, IN

- Led the school to Four Star Award status through the Indiana Department of Education for five years
- Instituted ongoing, job-embedded professional development to build teachers' capacity in the five pillars of reading and multi-sensory instructional methods
- Led a systematic program of professional development in instructional practices, rooted in educational neuroscience and research
- Produced and utilized a performance dashboard to monitor key indicators for students' academic growth and achievement
- Developed a rich school culture rooted in social-emotional support, collaboration, and high expectations for growth and achievement

Director of Special Services

Smith-Green Community Schools

August 1995 – July 1998

Churubusco, IN

- Developed and directed a districtwide comprehensive continuous improvement plan for:
 - Aligned curriculum
 - Coordinated grant program focus and funding
 - Congruent professional development
 - Systematic data analysis
- Facilitated and led professional development in highly effective instructional strategies, applying educational neuroscience to classroom practice
- Led a program that brought together business, industry, and the school to advance mutual interests and improve educational programs
- Strategically managed the corporation's grant programs and successfully developed and received grants from industry and community organizations
- Directed the corporation's transportation department and instituted an intensive and successful driver evaluation and professional development program
- Collaborated with elementary and secondary administrators to develop and institute an RtI process from K-12

Beech Grove City Schools

June 2021 – October 2021

Beech Grove, IN

- Developed and built alternative education program
- Planned and implemented social-emotional lessons
- Communicated with parents daily
- Utilized data-based decision making
- Implemented the MTSS process
- Supported students in credit recovery
- Teacher of Record for students in the Directions Academy
- Utilized best practices to support behavior modification

PBIS and Restorative Practices Coordinator

Beech Grove City Schools.

August 2019 – October 2021

Beech Grove, IN

- Supported K-12 district alignment
- Trained staff and school leaders
- Designed school assessment calendars
- Coordinated and coached school implementation teams
- Utilized data to support school-based teams in creating action plans

Intervention Specialist

Beech Grove City Schools.

June 2018 – June 2021

Beech Grove, IN

- Created professional development that use the fundamentals of Positive Behavior Intervention Supports
- Created social emotional groups for grades kindergarten through 8th grade
- Assisted and conducted functional behavior assessments for the purpose of ensuring accurate student placement, developing more effective IEP objectives, and complying with mandated requirements
- Facilitated and coached teams through the development and implementation of legally compliant Individualized Education Plans (IEPs) and Functional Behavior Assessments (FBAs)/Behavior Intervention Plans (BIPs) for identified students
- Implemented and coached school personnel on research-based methods of classroom management and behavioral strategies
- Modeled strategies for and assisted with classroom management practices regarding evidence based instructional practices for working with students with emotional and behavioral challenges when requested
- Provided support with creating Individualized Education Plans and ensuring implementation with fidelity

- Provided follow-up and consultative support for the implementation of principles provided in staff development to ensure fidelity of implementation
- Provided transition support for students moving across the various continuums of the least restrictive environment (LRE)
- Provided professional development to certificated and classified staff, as requested
- Participated in student IEP meetings as needed and/or assigned for the purpose of assisting in establishing effective student achievement goals and conveying/receiving information
- Attended manifest determination case conferences as applicable
- Participated in instructional team meetings, intervention team meetings, and staffing throughout BGCS
- Served as the point of contact for students being considered for more restrictive placement options on the LRE continuum
- Worked collaboratively with the administrators and teachers in BGCS when collaboratively planning for the delivery of services to students with unique emotional, behavioral, and academic needs
- Collected, analyzed, and summarized behavioral data as requested
- Collaborated with District Administration and schools with implementation of MTSS
- Participated in MTSS professional development
- Built an MTSS process and coordinated alignment in K-6 schools
- Assisted Director of Exceptional Learners as requested
- Made positive contributions to the culture and climate of BGCS

Hornet Park Elementary K-1 Resource Teacher

Beech Grove City Schools

July 2014 – June 2018

Beech Grove, IN

- Designed and delivered math, reading, and writing lessons to small groups of 2 to 6 students
- Collaborated with teachers, school psychologists, and interventionists to create a school wide multi-tiered intervention process (RTI) that included skill based small group instruction and progress monitoring
- Provided staff professional development concerning implementation of progress monitoring, small group intervention and behavior management in their classroom
- Chaired the Positive Behavioral Intervention and Supports (PBIS) Coach position
- Attended professional developments, created professional development for staff, and served as a resource to teachers and administration
- Communicated with parents on a weekly basis regarding academic and behavioral progress through phone, email and in person meetings
- Met expected IEP timelines and follow legal procedures outlined by Indiana's special education law: Article 7

Drummond Montessori Schools 4th-6th Grade Inclusion Teacher

Chicago Public Schools

August 2011 – July 2014

Chicago, IL

- Piloted a co-taught multi-age 4th-6th grade classroom that supported an optimal learning environment for students with multiple learning styles
- Collaborated with general education teachers daily to ensure that accommodations and modifications were being met in the classroom along with discussing work plans and project modifications
- Directed multiple daily Guided Reading groups in the resource room to meet the needs of my students' reading levels and skills
- Participated in RtI meetings to support general education teachers with strategies and interventions to use in their classrooms as well as progress monitoring
- Chaperoned multiple day, overnight field trips to Washington D.C. and Nature's Classroom
- Provided staff professional development concerning the implementation of accommodations and modifications in the general education classroom to support students and teachers in creating the least restrictive environment

Agassiz Elementary Upper Grades (6th-8th) Resource Teacher
Chicago Public Schools

January 2011 – June 2011
Chicago, IL

- Planned and delivered lessons to small groups with continuous progress monitoring
- Designed Writing Workshops that integrated with guided reading groups
- Collaborated with the general education teacher to ensure accommodations and modifications were being met in the classroom
- Wrote IEPs for 8th graders that included transition plans
- Collaborated with general education teachers, interventionist, and school psychologists to write comprehensive initial and annual IEPs
- Communicated with parents and students regularly about behavior and grades through phone calls, emails and in person meetings

Agassiz Elementary Cadre Substitute Teacher
Chicago Public Schools

December 2010 – January 2011
Chicago, IL

- Delivered DIBELS Assessments
- Delivered Fountas and Pinnell Assessments
- Followed teacher lesson plans to ensure student learning
- Delivered ISLE Assessments
- Demonstrated classroom management by establishing expectations and procedures

Agassiz Elementary Intermediate Autism Spectrum Disorder Teacher
Chicago Public Schools

December 2010 – June 2011
Chicago, IL

- Planned and delivered individual lessons to a class of 8 students with Autism through a center's rotation format
- Progress monitor students on goals pertaining to language arts, math, social skills, and behavior.
- Co-Taught 15 students with Autism in subject areas outside of Language Arts and Math. This multi-levelled instruction and materials for art, science, and social studies
- Designed inquiry-based Social Studies and Science Unit Plans with co-teacher for all students in the Autism classroom
- Collaborated with co-teacher, general education teachers, speech pathologist, and literacy specialist to ensure students were receiving services and being included in the general education classroom
- Communicated with parents through newsletters and updated classroom websites to inform the families of what their child should expect to be learning in the classroom as well as daily updates
