5701 S. Crabapple Lane

Brazil, IN 47834

C (317) 339-6891

Email: mindfit4life@gmail.com

PROFESSIONAL PROFILE

Thirty-nine years as an ASHA CCC Certified Speech-Language Pathologist working with pediatrics and adults in clinics, hospitals, rehab units, schools and private homes

Eight years as a hospital Program Director for Speech-Language Pathology

Twenty-one years as a Contractor for IFSSA, Division of Disability, Aging and Rehabilitative Services

Eleven years as a Mental Fitness Facilitator

Two years as a FEES Specialist

PROFESSIONAL EXPERIENCE

Medical Consultant

Review disability claims for the State of Indiana to determine eligibility for allowance due to speech or language deficits.

Therapist

Evaluate and treat children and adults with articulation, language, cognitive and swallowing disorders. Develop home programs for independent maintenance.

Program Director

Develop hospital protocol for programs and procedures involving speech-language pathology, including a Modified Barium Swallow program.

Mental Fitness Facilitator

Coordinate, and facilitate MindFit4Life, a program to maximize brain plasticity; self-authored and trademarked.

FEES Specialist

Evaluate the swallow function of individuals at bedside using a flexible endoscope and portable unit.
