Dear Mr. Allen,

Javit Consulting LLC is pleased to participate in the proposed bid of RFP 20-748 for the Indiana Department of Administration on behalf of the Department of Corrections for the State of Indiana. In the event Mi-Case (Business & Decision) is chosen to fulfill this RFP, our company will serve as a subcontractor to Mi-Case for the purpose of supporting the Offender Management System (OMS) project activities.

Started in 2019 in Indianapolis, Javit Consulting is committed to partnering with government agencies (and companies serving this sector) to provide technology talent delivering successful projects enabling our government to operate at its highest level. Our leadership has a proven record in procuring and maturing IT talent delivering multi-year, multi-million dollar partnerships on strategic initiatives. Our business is listed in the Indiana Department of Administration Directory of Certified Firms as an Indiana Veteran Owned Small Business (IVOSB). Javit Consulting's IDOA Bidder ID Number is 0000041926.

As an Indiana VOSB subcontractor certified to provide technology services, we anticipate providing services to support the staff augmentation of the talent needed as an extension of the Mi-Case team.

Javit Consulting understands there is no commitment for work by Mi-Case, unless the RFP activity results in a contract/award with the State of Indiana. Should Mi-Case sign a contract with the State of Indiana, Javit Consulting will participate in the project for 2 years of the contract providing talent as an extension of the team. Javit Consulting will be paid an estimated amount of \$692,327.16, which is 4% of the total bid amount of \$17,308,179 for 5 years of the contract.

Javit Consulting further certifies that Matt Javit, as signatory to this letter, is authorized to make such commitments on behalf of Javit Consulting.

Sincerely,
