

## **Cost Assumptions, Conditions and Constraints**

The cost proposal narrative assumes:

- Client will be able to assist with coordination and scheduling of key stakeholders.
- Client will be able to assist with facilitation of approvals and marketing of community outreach.
- 1-2 weeks of travel by non-Indiana based personnel are included in our cost per deliverable.
- Guidehouse team will complete a draft of each of the deliverables within approximately 5 months of project kickoff. Guidehouse team will complete 2-3 rounds of feedback from client team. Feedback to be delivered in a timely manner (estimated final draft 1-2 months after Guidehouse draft delivery). Note: deliverable development is collaborative during the initial 5 months, meaning the Guidehouse team will be sharing recurring status updates, likely each week.
