

Executive Summary

Since 1935, Brulin has been manufacturing cleaning chemistries that has evolved into a portfolio of over 150 products sold worldwide. We have grown through hard work, focus and most importantly, listening to the needs of our customers. Those needs have translated into the attributes of our products that perform exceptionally well. We have and will always start with the highest quality ingredients to formulate the best and most innovative product solutions. And those solutions have earned the trust and integrity of our customers and the greater Brulin community.

Brulin manufactures and supplies the required products to Indiana currently and maintains ample production capacity to continue to supply these products. And, Brulin confirms we are registered with the Office of the Indiana Secretary of State. Our registration number is **2008050700420**

For the purposes of this contract, the official Brulin representative is Keith Adams, Sales Director for Facilities cleaning Services. Keith Adams certifies the information offered in the proposal meets all general conditions including the information requested.
