Mr. Cohen,

As the CFO of Stanz-Troyer Holdings and Stanz Foodservice, I duly attest that the information regarding company structure and financial performance is thorough and accurate. I also attest that board members are elected and include external subject matter experts operating independent of the company. Also operating independent of the board and our company is an Audit Committee who serves to establish and validate accurate financial information in accordance with GAAP.

If any further information is required, please feel free to contact me and I will do my best to provide it.

Thank you,
