

COLOR THE STATE HOUSE

Many people work in the Indiana State House to make our State Government run smoothly. Find and color the following areas:

1. The **Rotunda** is located in the middle. It stretches up to the stained glass dome.
2. The **Executive Branch** includes the offices of Governor, Lieutenant Governor, Secretary of State, Treasurer, Auditor, Attorney General and Superintendent of Public Instruction. They work in offices along the east and west sides of the building.
3. The **Atriums** are in the center of the building on the north and south ends. The areas are flooded with natural light, let in by skylights.
4. The **House of Representatives** has 100 members who meet in the center of the east side of the building.
5. The **Senate** has 50 members who meet in the center of the west side of the building.
6. The **Supreme Court** occupies the north end of the building. The Courtroom is in the center, Conference Room on the northwest side, and Law Library on the northeast side.
