The Plainfield Correctional Facility is always looking for ways to give back to the community. We felt making a contribution to this program was extremely important because it helps the children of Hendricks County."

Plainfield, Indiana - On August 3, 2007 the Plainfield Correctional Facility made yet another contribution to the community. On behalf of the facility's Purposeful Living Unit Serve, Superintendent Wendy Knight presented a check in the amount of \$805.00 to Joy Phillip and Andrea Flood of the Kids Summer Lunch Bunch Program. This programs main objective is to assist underprivileged children

living in low income families, by providing much needed lunches for them all summer long. Nevertheless, all families and their children are welcome regardless of their economic status. The donations came from monies collected through a fundraiser, in which the offenders at the Plainfield Correctional Facility were allowed to order burgers and a blizzard from a local Dairy Queen in the month of July. "The Plainfield Correctional Facility is always looking for ways to give back to the community", stated Superintendent Knight. "We felt making a contribution to this program was extremely important because it helps the children of Hendricks County".
