General Regulatory Issues	Under the authority provided by IC 27-1-4 the Department monitors various issues that have been determined to be unfair, misleading or potentially constitute unfair trade practices. The following issues will also be reviewed.			
Application questions 27-8-5-1.5(l)	1. Questions regarding an applicant's health cannot inquire about non-specific conditions prior to the most recent five years. 2. Questions inquiring if an applicant has had signs or symptoms of a condition are not permitted. 3. Small employer applications may not require applicants declining coverage to complete health questions.			
Arbitration	Mandatory and/or binding arbitration provisions are prohibited.			
First manifest language 27-8-5-19(c)(6) 27-8-5-2.5 27-8-15-27	Typically first manifest type language creates a permanent exclusion of coverage related to a condition present any time prior to the effective date of coverage contrary to any pre-existing condition provisions included in the form. Such inconsistencies are not permitted.			
Foreign language forms Bulletin 106	Foreign language forms must comply with Bulletin 106.			
Large endorsements 27-8-5-1.5(l)	The Department does not allow use of large or confusing endorsements to bring contracts into compliance. In such cases the entire contract should be refiled to incorporate the multiple changes. On a similar note, Indiana specific certificates should be filed rather than file an endorsement to revise another state's certificate.			
Open endorsements 27-8-5-1.5(l)	Highly flexible or "blank check" type endorsement forms that provide unlimited ability to revise forms without regulatory review are not allowed.			
Privacy of health information 27-8-5-1.5(l)	Employers cannot be asked to reveal or certify the accuracy of any knowledge they may have regarding an individual's health condition.			
Various fees 27-8-5-1.5(l)	Fees charged to accept or process an application are not allowed. One-time fees such as may be charged to issue a policy are acceptable providing they are clearly labeled and accompanied by a disclosure that the fee is fully refundable if the policy is not issued, not taken or returned during the "free look" period.			
Bulletin 103	No full and final discretion clauses except where policy is governed by ERISA			
760 IAC 1-8	Use of terms "Noncancellable" and "Guaranteed Renewable" must not be misleading			
27-8-5-1.5(l)	The policy form cannot contain provisions that are unjust, unfair, inequitable, misleading, or deceptive, or that encourage misrepresentation of the policy.			

I hereby certify, pursuant to IC 27-8-5-1.5(i)(1)(C), that the policy form submitted with this checklist meets all requirements of Indiana law.
