

## **NOTICE OF DESIGNATION**

The Indiana Finance Authority ("IFA") has issued a request for proposals on June 26, 2015 (the "RFP"), to design and build the Indiana I-69 Major Moves Expansion project (the "Project") pursuant to a public-private agreement ("PPA") under Indiana Code 8-15.5 (the "Act"). The Project consists of constructing additional travel lanes along I-69 within the existing median from Exit 205(116<sup>th</sup> Street and SR 37, in Fishers, Indiana) to north of SR 13, constructing an additional outside auxiliary lane on southbound I-69 from 106<sup>th</sup> Street to 116<sup>th</sup> Street, and modifying the existing diamond interchange at Exit 210 (Campus Parkway/Southeastern Parkway).

After following the procedures required under the Act, IFA has determined that Milestone Contractors, L.P. ("Selected Offeror") should be designated under the Act as the entity to enter into the PPA to design and build the Project thereunder. The Governor has accepted the determination of the IFA, has designated the Selected Offeror as the entity to enter into the PPA for the Project under the Act, and has approved the PPA.

With the exception of parts of the Selected Offer that are confidential under I.C. 5-14-3, the Selected Offer and the PPA are available on the internet website of the IFA at [www.in.gov/ifa](http://www.in.gov/ifa) and are available for public inspection and copying at One North Capitol Street, Suite 900, Indianapolis, Indiana 46204 (telephone: 317-233-4332), the principal office of the IFA during regular business hours.
