

NOTICE OF REQUEST FOR PROPOSALS

Based on the responses to a request for qualifications for a Toll System Provider (TSP) issued by the Indiana Finance Authority ("IFA") on behalf of the Joint Board for the Louisville Southern Indiana Ohio River Bridges Project on October 18, 2013, the IFA identified six teams (Kapsch TrafficCom IVHS Inc., TransCore, LP, Xerox State & Local Solutions, Inc., 3M Company, Sanef Operations America Inc. and Brisa Inovacao e Tecnologia, S.A.) to continue with the TSP request for proposal process. Such teams are being asked by IFA to submit responses to a final request for proposal ("RFP") issued on May 23, 2014 pursuant to the provisions of Resolution JB-2014-1 of the Joint Board and Indiana Code 8-15.5, to provide, operate, manage, and maintain a toll collection system including roadside, back office and toll system operations functions for the Louisville Southern Indiana Ohio River Bridges Project. The IFA will evaluate the proposals from such teams based on the criteria described in the RFP. The toll collection system will be utilized for the Louisville Southern Indiana Ohio River Bridges Project, which includes the East End Crossing Bridge, the Downtown Crossing Bridges and the associated access and roadways.

The RFP has been posted on the IFA website (<http://www.in.gov/ifa/2750.htm>). Responses to the RFP are required to be delivered to the IFA no later than July 14, 2014, at 3:00 p.m.(Eastern Time).
