State Revolving Fund (SRF) Loan Program Categorical Exclusion (CE): Gentryville, Spencer County; Drinking Water System Improvements – Tennyson Connection Point Relocation. SRF# DW 14 02 74 01

To all interested parties: this is notification that the Gentryville modifications to the Tennyson connection point is categorically excluded from substantive environmental review.

The project includes construction of a new metering point at the connection to the Tennyson Water System. The project will allow for improvements to the Supervisory Control and Data Acquisition (SCADA) to monitor and help control the system.

The “No Action” alternative was rejected. If no action is taken, the system will not be able to maintain compliance with the requirements of the Safe Drinking Water Act.

Estimated project cost is \$38,430. Gentryville will finance the project with its existing loan from the State Revolving Fund Loan Program.

The documentation supporting this CE is available for review at the following locations:

Indiana Government Center North, 100 North Senate Avenue, SRF Loan Programs, Room 1275, Indianapolis, Weekdays, 9am-3:30 pm and at www.srf.in.gov.
