Why Acceptance is in the Public Interest: Dr. Kopp is the Director of the Avian Health Division at the Board of Animal Health. The primary method by which the Board regulates avian health is through participation in the National Poultry Improvement Plan (NPIP). Dr. Kopp serves as Indiana's delegate to the NPIP meeting. Delegates will vote at the NPIP meeting on changes in national avian health policy that will directly affect the Board of Animal Health programs and the poultry industry in the state. Dr. Kopp's participation at this conference is directly related to his duties at the BOAH. BOAH and ISPA interests in these issues are not adverse.
